Terra Nova High School E-Newsletter, September 27th, 2021

Principal's Message

Dear families,

October is upon us. Terra Nova is gearing up for our annual array of events tailored to prospective Terra Nova students and their families.

We are putting the finishing touches on our shadowing days and encourage interested 8th graders to sign up to [tour](#). This is a great way to get to know our school as students have a chance to mix and mingle with other TN Tigers and teachers. An Open House is scheduled for Wednesday October 20th at 6pm. Families are invited to come to the campus to hear from students, teachers, coaches and other program advisors on our wide array of academic, extracurricular and cocurricular programs. More details on this event will follow as it gets closer.

As you navigate through the community, please help spread the word on these events and encourage middle school students and families to attend and learn more about Terra Nova High School.

Thank you for your continued support,

Megan Carey
Principal

Terra Nova Events are Live Streamed!

Last year with the support of the district office, Terra Nova was able to have two pixellot sports cameras installed in our gym and at the field. These cameras allow for our sporting games and other events like graduation to be accessible to family members and other community members who are unable to attend in person.

Please visit [NFHS Network](https://www.nfhsnetwork.com) to access Terra Nova events.
