Principal's Message

Dear families,

A big shout-out goes to Ms. Fil and the entire ASB crew for making Friday's Tokyo 2021 rally possible. Their hard work resulted in a well-organized and high energy success! Words can't describe how good it felt to be out together and celebrating our school community. Our upperclassmen were great role models as our lower classmen caught on quickly with the TNT chants and games. Coupled with the great turnout for our fall athletes at their many matches and games, Tiger Pride is alive and well on campus.

On Wednesday, Terra Nova will be hosting our Club Fair during lunch in the new quad. Students are encouraged to visit the different tables to learn more about each club and join as many as they want. Clubs meet throughout the year and even students who didn't sign up can still attend and participate. Participating in school activities not only helps students stay connected with their peers and school but it's also a great way for them to learn and apply academic skills in a different context. Hopefully your student has found something of interest to them or is looking forward to something coming up soon.

This Friday, we will be hosting a home football game. Before the 7pm start of our varsity game, our field will be dedicated in honor of retired district teacher and coach, Mr. Bob Lotti. Many Terra Nova families attended TN when Mr. Lotti served as our football & track coach, athletic director or attendance supervisor. Tickets for the game can be purchased at the gate. It will be [live-streamed](#) for anyone who is unable to attend.

Thank you for your continued support,

Megan Carey

Tom Ashby: PE Teacher

Hello Everybody! My name is Tom Ashby and I am the new PE teacher. Previously, I taught at James Lick Middle School in San Francisco for the last 3 years while finishing up my intern program at SFSU. I also used to coach Cross Country and Track at Lowell High School for 5 years. I have a soon-to-be 3 year old daughter who I love to share my outdoor hobbies with. I always had a strong desire to be outdoors, whether it be for camping, biking, kayaking, running, or fishing. I look forward to seeing everyone around!

Terra Nova Events are Live Streamed!

Last year with the support of the district office, Terra Nova was able to have two pixellot sports cameras installed in our gym and at the field. These cameras allow for our sporting games and other events like graduation to be accessible to family members and other community members who are unable to attend in person.

Please visit [NFHS Network](https://www.nfhsnetwork.com) to access Terra Nova events.
