Terra Nova High School E-Newsletter, August 30, 2021

Principal's Message

Dear families,

It was a pleasure meeting many of you at our back-to-school night last week. Hopefully you also had a chance to mingle with members of our PTO, Athletics Booster Club and meet the wonderful Counseling Department.

As we really get into the rhythm of the school year, it's good to review the various tools that help keep you connected to us throughout the school year. Our weekly newsletter is always accessible on our [website](#) and previous versions are archived and available. [ParentVue](#) is the tool to use to review grades, check attendance and email teachers. Report cards can also be accessed through ParentVue.

The PTO Facebook Page, "Terra Nova PTO," is continually updated with school and district information. It is also a great place to go if you have general questions about anything. The PTO either has the answer, will find the answer or direct you to the right person and place.

Our student government leaders help maintain an Instagram account. The @terranovalpride page is the place to go to learn about what's happening on campus for students. Initially created for students by students, it is relevant for all Terra Nova community members.

We are aiming to also build up our presence on twitter, @OfficialTNTiger, to highlight events, celebrate big wins and share quick news.

I am always available to answer questions or talk - please never hesitate to reach out to me via email, phone or to stop me at a game. When we are connected with our families, the entire learning process is supported and our students are set up for continued success.

Thank you for your support,

Megan Carey
Principal
