ARTICLE XVII PROVISIONS FOR RESTRUCTURING (BISS ONLY)

Process For Planning And Implementing Site-Based Management and Restructuring

To restructure, a school must have site-based management. To have site-based management, a school must have an approved school site plan and an Academic Council.

A. ESTABLISHING AN ACADEMIC COUNCIL

1. The certificated staff must be the first group to demonstrate a willingness to participate in restructuring and/or site-based management. Such willingness will be demonstrated by an affirmation of two thirds ($\frac{2}{3}$) of the certificated staff to authorize the development of a school site plan and for the election of an Academic Council. The vote will specify whether the school proceeds directly to the establishment of an Academic Council or develops a school site plan first.
2. If the school proceeds directly to the election of an Academic Council, the newly elected Academic Council's first task would be as an interim planning committee to develop the school site plan. If the vote is to develop a school site plan first, a planning committee will develop the school site plan for restructuring/site-based management. The Academic Council would be elected after the approval of the school site plan. Parents, students and other staff may also be involved in the planning.
3. The school site plan must detail the duties, responsibilities, authority and make up of the Academic Council. The Academic Council may be given virtually any power given to the school site administration and department

heads in the contract. In addition, there is specific language throughout the contract that details other duties, responsibilities and authority the Academic Council may be given. The school site plan may give the Academic Council all or only some of these powers.

4. The Academic Council may have a certain time of the school day or week assigned to Academic Council functions. Any such plan must be part of the school site plan. Resources to pay for this time may come from these sources:
 - a. Reallocation of department head periods
 - b. A diversified staffing plan
 - c. Reallocation of school budget funds
 - d. Restructuring of the school day or week
 - e. Funding through other monies available from grants and other possible state funds.

B. THE ACADEMIC COUNCIL

An Academic Council may, within the scope of the contract:

1. Serve as an interim committee to develop the school site plan.
2. Plan staff development activities to further the education of the staff on restructuring.
3. Manage and allocate school budget funds as a part of the school site plan.
4. Set and revise school policies and practices according to the school site plan.
5. Serve as an on-going site-based management team to deal with major policies and practices relating to the instructional program including budget, curriculum, master schedule and facilities.
6. Evaluate and assign teachers and staff according to the school site plan.
7. Recommend the hiring of teachers.

C. PROCESS FOR IMPLEMENTATION

1. For the Academic Council to be fully implemented and given authority to act, the school site plan must be approved by an affirmative vote of two thirds ($\frac{2}{3}$) of the certificated staff in the school and the concurrence of the Principal.
2. After approval by the staff, school site plans must be submitted to the AFT Executive Board for review and approval, and to the Superintendent and Board of Trustees for final approval.

D. ACADEMIC COUNCIL SELECTION PROCESS

Once a faculty has authorized the election of an Academic Council, the following selection process will be used:

1. There shall be a minimum of five (5) council members and a maximum of seven (7). The council shall be comprised of the Principal, one (1) elected BISS representative, and three (3) to five (5) other representatives elected by the certificated staff. The staff is encouraged to add a parent and a student for which representation may be extended to nine (9) members.
2. The Principal will request nominations from certificated staff by giving each certificated person a written request for nominations on a time-line that corresponds to the school plan. Nominations will be taken from the BISS unit members on a separate request for nominations.
3. Certificated staff and BISS staff will submit written nominations (only with the consent of the nominee) to the Principal.
4. The Principal will prepare a ballot including the names of all nominees. Each certificated person will have the opportunity to vote for the total number of elected certificated members that will comprise the council. BISS unit members will vote for one BISS representative.
5. The certificated candidates will prepare a written statement of philosophy or purpose with respect to serving on this council. These statements will be distributed to each certificated person prior to a specially-called faculty meeting during which a question and answer session with each candidate will be provided. There will be a secret ballot election following this meeting.

6. BISS members will hold a question and answer session and may prepare a written statement indicating their interest and experience. BISS members will turn in their ballots to the Principal. The BISS candidate receiving the largest number of votes will be elected.

8. Members of the Academic Council shall be announced in writing to all staff.
9. The term of office shall be for three (3) full academic years and any part of the election year in which council members would take office as per the school site plan. If staffing or sections are affected, the plan should begin at the beginning of a semester with sufficient lead time for construction of master schedules. In the event a member vacates their seat on the council, an election shall be held to fill the seat within three (3) weeks of notification that the seat will be vacated.
10. A council member may be recalled by faculty (if certificated member) or BISS unit members (if BISS member) at any time. The recall occurs if the faculty or BISS unit members submit a petition for recall to the Principal signed by 50% + 1 of the total unit of employees in that school.

E. PROCESS TO BE USED IN SITE-BASED MANAGEMENT BY THE ACADEMIC COUNCIL

1. The purpose of site-based management is to empower the staff to make the decisions affecting their overall functioning as an educational delivery system.
2. The Academic Council members are elected representatives and must approach problem solving by setting up a process that involves the participation of all of the immediate or primary stakeholders whom the decision will affect. (e.g. In a decision or problem involving a conflict among divisions, departments or houses, a meeting of representatives not on the Academic Council from those houses might be called and facilitated by members of the Academic Council to assist these individuals in discussing and arriving at a decision or solving a problem among themselves.)
3. The goal of the Academic Council in decision-making is to avoid a unilateral top-down style of management; to facilitate the active involvement of all concerned parties in the decision-making; to find creative ways of dealing with managing the school environment in order to avoid conflict and tension among the staff; and to help all stakeholders feel a valuable part of the whole.
4. Decisions shall be made by consensus as defined here:
CONSENSUS: A systematic process used by a group to make decisions which everyone can support. A consensus decision has been reached when:
 - a. All group members agree to support the decision though it may not be everyone's first choice;
 - b. Everyone is committed to the decision as if it were the first choice of all group members;
 - c. Each participant agrees that he or she had had an equal opportunity to influence the decision; and
 - d. No one raises an objection when the group leader calls for consensus approval of a decision.
5. If decisions cannot be reached by consensus, the council may choose to delegate the decision to a committee of at least three (3) consisting of the Principal and two (2) elected representatives.
6. The Principal must concur with the decisions; if they do not concur, the rationale for disagreement will be put in writing and given to the Academic Council.
7. The Academic Councils are required to meet regularly, but not less than once a month.
8. The Academic Council meetings shall be scheduled at the convenience of the participants.
9. Each Academic Council shall select a chairperson responsible for setting the agenda; facilitating the meeting or providing a facilitator if needed for any particular meeting; ensuring that the consensus process is followed; and ensuring that the decision-making process involves all stakeholders.
10. Each Academic Council shall select a recorder responsible for taking minutes of each meeting; distributing the minutes in a timely fashion to all staff members; maintaining a file at the school of Academic Council records.

F. DISBANDING THE ACADEMIC COUNCIL

An Academic Council will be disbanded at a time proposed by a petition requesting the same which is signed by two thirds ($\frac{2}{3}$) of the certificated staff and is submitted to the Principal. The Board of Trustees or the AFT Executive Board may call for the disbanding of the Academic Council if this would be in the best interests of the District or the Union. At that time, the school structure in place immediately before the existence of the Academic Council will be reinstated unless another plan is submitted and approved.

1. Grievance - A claim upon an event or condition which affects the obligations or circumstances under which a unit member works, allegedly caused by misinterpretation or inequitable application of that established policy which specifically affects a provision of this agreement or the terms of this contract.
2. Grievant - An individual, group, or organization having a grievance.
3. Day- A "day" is any day in which the unit member is required to be in attendance.

B. REPRESENTATION

1. A unit member may be represented at Steps 1, 2, or 3 of the grievance procedure by themselves, a representative of their choice, or at their option by a representative elected by the union. After Step 3, the unit member must have the concurrence of the union to proceed to Step 4.
2. If a unit member is not represented by the union, the union shall have the right to be in an observer role unless otherwise requested by the unit member.
3. The unit member shall have the right to be represented by legal counsel if deemed necessary at any step in the procedure provided the unit member notifies the district at least two (2) days in advance that they will be represented by legal counsel.

C. GENERAL PROVISIONS

1. If a grievance arises from action or inaction on the part of a member of the administration at a level above the principal or director, the grievance shall be submitted in writing to the superintendent and the processing of such grievance shall be commenced at Step 2.
2. No decision or adjustment of a grievance shall be contrary to the provisions of this agreement.
3. Failure by the administration to adhere to a decision deadline shall mean the grievance shall proceed to the next step. Failure of the unit member or union to adhere to the submission deadline shall mean the unit member waives any right to further appeal. Failure on the part of the unit member, the unit member's representatives, and/or the union to meet the time provisions so designated in this agreement shall render the grievance null and void; however, nothing prohibits the parties from extending the dates by mutual agreement.
4. When it is necessary for a representative designated by the exclusive representative to represent a unit member in a conference with a management person, the representatives shall be released without loss of pay for a reasonable length of time. The notice for release time shall be made at least one day in advance. The superintendent and the union president shall mutually agree upon the release time.
5. The request for release time shall be made to the superintendent at least one (1) day in advance. The representative shall have the right to visit the appropriate district sites to confer with the appropriate district employees covered by the provisions of this agreement during their duty-free time. Until final disposition of a grievance takes place, the grievant is required to conform to the original direction of their immediate supervisor.
6. In the event that more than twenty (20) grievances are under process at any one time and/or more than six (6) grievances, are in process at any one step above the informal level, the union agrees to meet with management for the purpose of waiving time limits and they shall establish a reasonable time schedule for the orderly processing of such grievances.

D. PROCEDURE

First Submission - Informal - Any unit member shall first discuss the grievance informally with the principal/director/designee, whether directly or accompanied by the union representative, with the objective of solving the matter. This meeting shall take place within fifteen (15) days following the act or condition, or from that date from which the unit member could have reasonably expected to have knowledge of the act or condition which is the basis for the grievance. The meeting with the principal/director/designee shall take place within ten (10) days of the unit member's request for such a meeting.

Step 1 Formal Submission

If the grievance is not settled to the satisfaction of the unit member in the informal process, the grievance shall be presented in writing to the principal/director/designee within ten (10) days of the informal meeting. The written grievance shall include:

- a. names, dates and places necessary for a complete understanding of the grievance;
- b. a listing of the provisions of the agreement which are alleged to have been violated or misapplied;
- c. a listing of the reasons why the original resolution of the problem is unacceptable; and
- d. a listing of specific sections requested which would remedy the grievance.

Within ten (10) days after the receipt of the written grievance, the principal/director/designee shall communicate their decision in writing together with the supporting reasons. The principal/director/designee shall furnish one (1) copy to the grievant and one (1) copy to the union.

Step 2 Appeal to Superintendent

If the grievance is not resolved satisfactorily at Step 1, the grievant and/or the union may appeal within ten (10) days to the superintendent. The appeal shall be in writing and shall include a copy of the original appeal and the decision arrived at in Step 1. For any grievance originating at Step 2 as a result of action or inaction on the part of the member of the administration at a level above a school principal or director, the grievant or the Union must submit a formal grievance in writing to the Superintendent within ten (10) days following the act or condition, or from the date from which the grievant could have reasonably been expected to have knowledge of the act or condition which is the basis for the grievance.

- a. Within ten (10) days after receipt of the appeal the superintendent shall hold a meeting on the grievance upon request.
- b. The grievant, the grievant's representative, and/or the union shall be given at least two (2) days notice of the meeting.
- c. Within ten (10) days after the meeting on the appeal, the superintendent shall communicate their decision in writing, together with the supporting reasons, to the grievant, the grievant's representative and/or the union.

Step 3 Appeal to Board

If the grievance is not resolved satisfactorily at Step 2, the grievant may appeal within ten (10) days in writing to the Board of Trustees. If the appeal is received not later than 12:00 Noon of the Tuesday preceding the date of a regularly scheduled meeting, the grievant and/or representative may present their case to the Board of Trustees in open and/or in closed session.

Step 4 Submission to Arbitration

If the grievance is not resolved satisfactorily at Step 3, the grievant with the concurrence of the union, within ten (10) days after a decision by the Board of Trustees, may submit the grievance to advisory arbitration. If any questions arise as to the arbitrability of the grievance, such questions shall initially be ruled upon by the arbitrator and, at the arbitrator's discretion, such ruling may be reserved until the merits of the grievance have been heard.

- a. The arbitration proceeding shall be conducted by an arbitrator to be selected by the two parties within ten (10) days after notice is given. If the two (2) parties fail to reach agreement on an arbitrator within five (5) days, the State Mediation and Conciliation Service will be requested to supply a list of five (5) names. Each party will alternately strike from the list until only one (1) name remains. Further, each party shall have the right to reject the entire list.
- b. The arbitrator shall hold a hearing as soon as reasonably possible following their appointment. Five (5) days' notice will be given to all parties of the time and place of the hearing. Within ten (10) days after completion of the hearing, the arbitrator shall render the decision in writing and shall set forth their findings of facts, reasons, and conclusions on the issues submitted. If the arbitrator determines that additional time for their decision is necessary, the arbitrator shall have discretion to issue such decisions within a reasonable period of time. The arbitrator shall be without power or authority to make any decision which requires the commission of any act prohibited by law or which violates the terms of this agreement. However, it is agreed that the arbitrator is

empowered to include in any decision recommendations for reimbursement for financial loss of wages or fringe benefits or other non-financial remedies as judged to be proper. The arbitrator shall submit to all parties their findings and recommendations which shall be advisory in nature.

- c. Nothing in the foregoing shall be construed to empower the arbitrator to make any decision amending, changing, subtracting from, or adding to the provisions of this agreement.
- d. Fees and expenses of the arbitrator shall be shared equally by the employer and the exclusive representative. All other expenses shall be borne by the party incurring them and neither party shall be responsible for expenses of witnesses called by the other. If any grievance meeting or hearing shall be conducted during the school day, any employee required by either party to participate as witness or grievant in such a meeting or hearing shall be released from regular duties without loss of pay for a reasonable amount of time. The superintendent and the union president shall mutually agree on the amount of release time and the number of witnesses to be released at any one time.
- e. If the arbitrator rules against the Board of Trustees and the board does not comply with the ruling, the district will pay all costs of the arbitrator.
- f. Either party may request an individual to make a written record of the entire arbitration hearing. The cost of the services and expenses of such individual shall be paid by the requesting party or shared by the parties if they both mutually agree.
- g. All documents dealing with the processing of a grievance shall be filed separately from the personnel files of the participants as designed in this agreement.

Step 5 Board Action

Upon consideration of the arbitrator's advice, the board shall take action on the grievance and shall render its final decision by no later than the next regularly scheduled board meeting provided the arbitrator's ruling is received in time to be on the board agenda and providing that copies of the arbitrator's decision have been given to the board members in sufficient time to permit the board members to review the decision. In the event that copies of the arbitrator's decisions have not been provided to the board members at least three (3) days in advance of the regularly scheduled board meeting, the board may delay taking action on the grievance until the second regularly scheduled board meeting following the arbitrator's decision.
