Dr. Kimberly Williams

Principal

Welcome to the Saraland Early Education Center!

I am honored to serve as the principal of the Saraland Early Education Center. Saraland City Schools is dedicated to providing a world-class education for students. I am excited to work with Saraland's kindergarten and first grade teachers, students, and parents. The teachers are an outstanding group of educators who are committed to the success of each child. Our kindergarten and first grade students are ready and willing to learn – there is no limit on what they can accomplish!

The new Early Education Center campus is a wonderful addition to the Saraland City Schools family. It is a beautiful facility with dedicated educators who provide a first-class learning environment for students. Great things are happening at the Saraland Early Education Center!
