

TEACHER'S
PENSION

LET'S PLAN FOR THE FUTURE

FINANCIAL WELLNESS EDUCATION

The District has collaborated with Teacher's Pension to offer no-cost financial education and valuable resources to Certificated and Classified employees. These resources are designed to equip employees with the knowledge and tools needed to make well-informed choices regarding their retirement planning.

When you retire, you may face a shortfall in pension income. We'd like to invite you to a voluntary virtual presentation where we'll explain different plan options that can help you proactively bridge your pension income gap.

Understanding CalSTRS

Understanding CalPERS

- ✓ Understanding Your State Pension System
- ✓ Comparing 403(b) and 457(b) Plan Choices
- ✓ Managing Future Savings and Current Debt
- ✓ Achieving Financial Goals
- ✓ Preparing When Nearing Retirement
