

# What is a Parent and Family Engagement Policy?

This is a plan that describes how Copperfield Elementary will provide opportunities to improve parent engagement to support student learning. Copperfield Elementary values contributions and involvement of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Copperfield Elementary will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

## Student-Parent-School Compact

As part of this plan, Copperfield Elementary and our families will develop a school-parent compact, which is an agreement that parents, teachers, and students will develop. It explains how parents and teachers will work together to make sure all of our students reach grade level standards. The compact will be reviewed and updated annually based on the feedback from parents, students, and teachers during Parent Engagement Team Meetings.

## What is Title I?

Copperfield Elementary is identified as a Title I school as part of the Elementary and Secondary Education Act of 1965 (ESEA). Title I is designed to support state and local school reform efforts tied to challenging state academic standards and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All Title I schools must jointly develop with parents, a written Parental Engagement Policy.
