Benefits of Parent and Family Engagement

TITLE I, PART A
PARENT AND FAMILY ENGAGEMENT

Through effective communication with parents, teachers can have the greatest impact on their day-to-day success with students. With parents on their side, teachers can more effectively manage most academic and behavioral issues that arise. When the most important adults in a child's life are working together, students benefit enormously.

Lee and Marleen Canter

When school, families, and community groups work together to support learning, children tend to do better in school, stay in school longer, and like school more.
