SGC Meeting Summary of Actions

Upon starting the meeting, each member introduced themselves and it was announced that we had to choose certain officers for the new year. Three officers were chosen. Next, we decided on dates and times for upcoming meetings. Principal Walker explained staff changes, informing us that we will receive two new teachers due to high enrollment. In addition, we had a conversation about important upcoming dates. Last, we understand that there is 46K that would need to be spent on non-instructional items and Principal Walker asked us to give ideas on how we can spend the money by the next meeting.

Thank you for your continued support!
