

ACES NEWS

September 2024

We are nearing the halfway mark of quarter one! Teachers took the time during this first month of school to build classroom communities and assess students' academic progress to begin small group time with your students. When your child's Interim Report comes home, please take the time to review and set goals with them as it is our mission that **All Children Excel in School.**

By Ms. Smith

This month's theme is kindness. Kindness produces many beneficial effects for the mind, body, and spirit. Did you know that there are scientifically proven benefits of being kind?

- Releases "feel good hormones"
- Eases anxiety
- Reduces stress
- Can help you live longer
- Can prevent illness

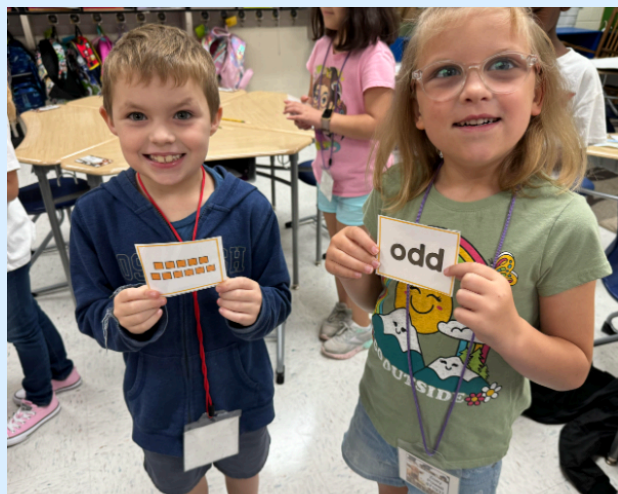

**Keep
Calm**

Classroom Spotlight

Students in Ms. Timmons' 2nd grade class practiced pairing objects with numbers and determined if the groups or numbers were even or odd!

Nurse's Station

Life is unpredictable and you never know when a child may need a change of clothes. The Health Room is limited on clothing, so I am asking that you please keep a change of seasonal clothing (shirt, bottoms, underwear, socks) in your student's backpack for emergencies to help ensure their school day will not be interrupted. If your student comes home in borrowed clothing from the Health Room, please wash and return it so it will be available if needed again. Thank you!

P.S. The Health Room is in need of gently used children's clothing (sizes 6-14) and shoes. If you are able to donate, it would be greatly appreciated!
