Bridgette Nolfe

Assistant Principal

It is my privilege to serve as Assistant Principal at the Happiest Place in the Land. There is no better place to build a foundation for student success than Saraland Early Education Center. As part of the administration team, I look forward to working with our little Spartans and partnering with parents and teachers to create a positive and engaging atmosphere. Whether it's guiding academic success or supporting social-emotional growth, I am committed to helping each student thrive in an environment that celebrates the joy of learning.

I have lived in the North Mobile community all of my life and have been married to my husband for more than thirty years. Two of my greatest blessings are my children, Sydney and Zach. In my spare time, I enjoy going on boat rides, relaxing on the beach, and spending time with my family.
