Crusader Chronicles

Good Shepherd Catholic School

Relationship is the foundation of human connection. When God created man he did not want him to be alone so He created Eve. In this day and age, we are surrounded by people - physically and virtually- but can often feel alone.
Our community does a beautiful job of welcoming others into the community and coming together to help one another. We care for, encourage, and lift each other up. These relationships help keep our community going and focused on His mission. Let us reach out to family, friends, and even a stranger we encounter to build relationships with others and build our school community.
