Crusader Chronicles

Good Shepherd Catholic School

When God created humans, He created us in His image and likeness. It is that 'image and likeness' that gives human life dignity. As a result of this dignity, God has created an individual guardian angel (unique to us as individuals) who has seen and experienced the joys of Heaven to guide and help us through our journey on earth. Tomorrow is the Feast of the Archangels and Sunday is the Feast of the Guardian Angels. Let us remember the angels that God has created and all that they do to help us. We can call upon them for help and assistance when we need it.
