Crusader Chronicles

Good Shepherd Catholic School

This year's diocesean theme is "One Body in Christ". The body is made up of many different parts but functions as a whole. This theme has truly become evident to me in a unique way over the last couple of weeks at our school and throughout our diocese. Each member of our church, diocese, and school community comes together to make us whole. Parents, teachers, students, and community members have been pitching in to ready the school, encouraging one another, and creating a safe and inviting learning environment for our students. I would like to thank each of you for working together to build our community and working as one body in Christ.

Why did the teacher wear sunglasses to school?

Because her students were so bright. 😎
