Principal's Message- *Companions on the Journey- Luke 6:27-36 March Spiritual Work of Mercy -Bear Wrongs Patiently*

The Lenten season keeps our focus on the sixth Spiritual Work of Mercy – Bear Wrongs Patiently. Patience is the ability to accept (or tolerate) delay. As a society, we would rate ourselves fair to poor in this regard. (Hopefully, our individual grades are better!) Our culture is one of the immediate, the here and now, the present. Many people disregard the past (as any history teacher would attest) and they worry little about the future. Attention is all about what's in it for me right now!
This week, let's work at expanding our patience, particularly in situations where we detest delay. This may include the driver ahead of us who doesn't move as soon as the traffic light changes to the person telling what appears like an endless saga. Let's simply resolve to accept what comes our way at whatever speed it comes. What a Lenten challenge for the week ahead, but with prayer and practice, we can ***bear wrongs – patiently****.*
