Good Shepherd Catholic School

Principal's Message-

After much thought and prayer, I have decided that this will be my last year as principal at Good Shepherd. This is a very difficult decision for me, but I believe that I have done as much as I can in this role and it is the right time for me to make a change.

So many of you have supported me to the fullest throughout the years and for that, I thank you from the bottom of my heart. My prayers will always be with this community, especially my students.

I always say that when Good Shepherd students graduate, they have a strong foundation in order to move on to their next stage of life. The same is true for me. I am grateful for what Good Shepherd has given me: the people I have met, the lessons I have learned, and the community that I have loved.

The Catholic School's Office will work with Father Jay through the process of hiring a new principal. I pray that the right person will be found to take Good Shepherd to the next level so that our school can continue to achieve it's mission of developing successful students that reach their maximum academic and personal potential.
