Crusader Chronicles

Good Shepherd Catholic School

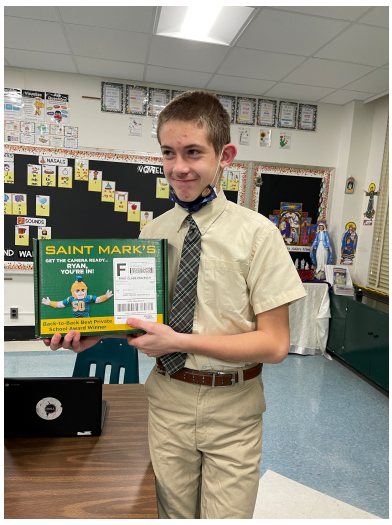

Principal's Message- *Take a look at this video (link below) created by our Good Shepherd Junior High students. This video was an entry for the American Heart Association's NFL PLAY 60 Get Moving Grant. Students were supposed to demonstrate the given exercise (slam ball) while supporting their NFL home team. Funds from the grant would be used to purchase PE equipment. I am very proud of these students combining their talents in this way. They are always the winner in my book!*
