Crusader Chronicles

Good Shepherd Catholic School

Principal's Message- ***SERVICE*** *– Our fourfold commitment to a Catholic lifestyle includes message (The Gospel), community (The Church), worship (The Sacramental Life), and Service (The Works of Mercy). Catholic schools in the Diocese of Wilmington embed these four pillars in the daily life of the school.*
Throughout the school year service opportunities abound in our Catholic schools. Parents, students and staff are very generous with time, talent, and treasure in helping those in need. We teach students that service is truly given when there is no recompense or reward in return therefore, the opportunity for service is a genuine gift of self.

Thanksgiving Food Drive

November 3-17

It is time for our annual Thanksgiving food drive. Each class will have a designated food item that they will be collecting. All food goes to the St. Vincent de Paul society to create Thanksgiving and Christmas baskets for those in need. A flyer with specific information will be found in Wednesday mail.

Thank you in advance for your generosity!

Look who Isabel found on Halloween!

New Gym Teacher

Mrs. Julie Frank

Mrs. Julie Frank, mother of Clare (grade 2) and Andrew (grade 7), will be our new gym teacher. Thank you to Mrs. Frank for stepping up and taking on this new role in our school community.

Background Clearance Price Increase

For all parent volunteers

The cost for our diocesan background clearance for all parent volunteers will increase to $45 beginning January 1st.

Volunteering Opportunity

There are a couple more slots left

Go to goodshepherdschool.net/signupgenius to sign up for our pie making weekend! A lot of baking but also a lot of fun with the Malone sister duo! Sign up now!

Primary students lined up outside of church on All Saints Day ready to process into Mass representing various Saints.

NJHS Service Project

Collecting items to recycle in STEM exploration for students

Invention Convention, held during MLK weekend, inspires curiosity, innovation, and creativity in young minds. Children can take apart old appliances, electronics and gadgets to see how they are made; and make their own “invention” out of everyday household items; and attend science shows on chemistry and physics.

Our National Junior Honor Society will be helping The Hagley Museum prepare for this event by collecting old gadgets for their “Tinkering Tables” and household items for their “Create-an-Invention.”

A flyer went home today in Wednesday folders with a list of appropriate donations. Their donation window will be October 27 through November 12.

Family fun at our Trunk or Treat event last weekend.
