# Crusader Chronicles

## Good Shepherd Catholic School

***Principal's Message-*** *Wise counsel takes into account the circumstances, the strengths, and the limitations of all involved. We see Jesus exercising this individual approach throughout the Gospels: one person is called to leave everything to follow him, another is directed to return to his family and relay the good things God has done for him. If we offer counsel to another, it should be done with a profound respect for each individual's unique dignity.*

*Hence, to offer wise counsel takes the investment of both time and patience on the part of each person as they come to know one another. In a world that seeks the immediate, the important is not always valued.*
*This week, let us commit to offer our time and patience to those who come to us looking for counsel in some way.*

## Halloween Tag Day

### Friday October 29

Students will have a free Halloween tag day this Friday October 29th.

## Halloween Party

### Rescheduled

We will hold our previously scheduled Trunk or Treat this Saturday from 1-3. We hope families are still able to attend the event.

**RIP Junior**
**10/26/07-10/25/21**

**What a great group of alumni and students who attended our Crab Feast!**

## High School Placement Test

### Coming soon!

The Diocese of Wilmington will administer the HSPT at our diocesan and parish high schools (Padua Academy, Saint Elizabeth High School, Saint Mark's High School, and Saints Peter & Paul High School) on Saturday-Sunday, November 13-14. Registration will open Tuesday, September 7. The HSPT registration process must be completed online through Scholastic Testing Services, Inc., at http://wilmington.stsusers.com .

## NJHS Service Project

### Collecting items to recycle in STEM exploration for students

Invention Convention, held during MLK weekend, inspires curiosity, innovation, and creativity in young minds. Children can take apart old appliances, electronics and gadgets to see how they are made; and make their own "invention" out of everyday household items; and attend science shows on chemistry and physics.

Our National Junior Honor Society will be helping The Hagley Museum prepare for this event by collecting old gadgets for their "Tinkering Tables" and household items for their "Create-an-Invention."

A flyer went home today in Wednesday folders with a list of appropriate donations. Their donation window will be October 27 through November 12.
