Crusader Chronicles

Good Shepherd Catholic School

Principal's Message- *I am so very grateful for our Grandparent's Day celebration last Friday. We were able to gather in a safe way while allowing Grandparents and other special guests to see and experience our school community at it's best. We were blessed to have such beautiful weather. Thank you to our FSO for providing refreshments.*

Important Message

For school parents

Please be vigilant about possible Covid symptoms. Students should be kept home when they are not well. The symptoms of many who have tested positive for Covid are those of a cold so please don't underestimate anything. Also, if you have your child tested for Covid do not have them return to school until you have received negative results.

We have made some changes in seating during lunch and will consider other possible changes in protocols in hopes that we can cut back on the need to quarantine classes when a community member tests positive.

Thank you for your attentiveness to this matter.

1st Grade Prayer Service

Lego Club

CALLING ALL YOUNG BUILDERS!

Good Shepherd Catholic School is looking for members for their FIRST Lego League Explore teams, the League of Creative Crusaders. The FIRST Lego League Explore Division introduces science concepts and teamwork to children in grades 1-4. If your child loves LEGOS, science, building, and discovering then please consider having he or she become a member of the League of Creative Crusaders for our sixth year! **We have limited spots with preference given to our previous team members.** If your child is interested, please email Joy Cox at joyginter@gmail.com with your child's name, age, and grade.

ARE YOU INTERESTED IN ROBOTICS?

Good Shepherd Catholic School will be participating for its 4th year in the FIRST Lego League Challenge Division. The FIRST Lego League fosters imaginative thinking and teamwork. A team of students in grades 5-8 research a real-world problem and are challenged to develop a solution. Their solution must include a robot built and programmed by themselves. https://www.firstinspires.org/robotics/fll/what-is-first-lego-league If your child is interested, please email Joy Cox at joyginter@gmail.com with your child's name, age, and grade.

Change in Picture Date

November 15
