ABOUT US

The Lycée Français de San Francisco - LYCEE, is an independent school with 835 students (preschool through 12th grade) with three campuses in San Francisco and Sausalito.

Leveraging its 55+ years of experience, the LYCEE provides a unique multilingual and multicultural education that develops critical thinking. Students learn to question, create, and explore from preschool to high school.

THE AUCTION GALA

The LYCEE is thrilled to hold its annual gala at the City View at Metreon, on Saturday, March 22, 2025.

We hope to count on your support and promote your company to grow your client list. Sponsor to gain exposure not just to over 3,000 members of the LYCEE community in the Bay Area but to grandparents, friends, alumni students, and parents across the world.

Thanks to our many supporters, last year's gala raised \$605,000. The funds from Sponsorship exclusively went towards the Financial Aid program to enhance socioeconomic diversity.

WHERE THE FUNDS GO?

FINANCIAL AID

Twenty-five percent (25%) of existing students benefit from financial aid. With your help, LYCEE could continue to grow a kind, and nurturing community.

At LYCEE, we strive to help mould our students into empathetic, compassionate and self-aware individuals.

We expose our students to a wide variety of skills and knowledge to ensure they are well-rounded human beings.

Your donation to our Financial Aid Fund would enable students who don't traditionally have access to private school education, attend LYCEE, exposing them to various backgrounds, cultures, and opportunities.
