Community Service

SCHOOL BOARD POLICY 2414 Community Service:

The Board recognizes that volunteering connects students to their communities and provides an opportunity for students to practice and apply their academic and social skills in preparation for entering the workforce. The Board further recognizes that community service is associated with increased civic awareness and participation by students and can inspire students to continue their education and skill development beyond high school. Students are encouraged to participate in community service activities as a part of their high school graduation requirements.

High School Graduation Requirement

Students must complete 30 community/volunteer service hours as part of the High School and Beyond portfolio process.
