GRIEVANCE PROCEDURE

A. DEFINITIONS

Grievance - A "grievance" shall mean a Complaint by an employee alleging a violation, misinterpretation or inequitable application of any provision of this Agreement, Board Policy, or Board and/or administrative practice which adversely affects the terms and conditions of employment, except that the term, "grievance", shall not apply to:

- (1) Any rule or regulation of the State Department of Education having the force and effect of law.
- (2) Any rule or regulation of the State Commissioner of Education having the force and effect of law.
- (3) Any matter which, according to law, is beyond the scope of Board authority.
- (4) Any matter which, according to law, is exclusively within the discretion of the Board.

Grievant - Grievant shall mean an employee believing to have been or to be aggrieved.

Employee - An employee shall mean an employee within the negotiating unit.

Immediate Superior - The principal or such person acting as the principal in the latter's absence.

B. PRINCIPLES

- (1) A grievance to be considered under this procedure shall be presented by the grievant or his/her representative not later than twenty (20) calendar days following its occurrence or the time when he/she should have known about it. The number of days allotted at each step of the grievance procedure is to be considered as a maximum time limit. Every attempt should be made to resolve grievances as quickly as possible. A grievance which occurs near the end of the school year shall be presented on or before June 30th of the school year in which it occurred.
- (2) A grievant may present and process his/her grievance personally or through the Association. Should the grievant want to process his/her grievance personally, he/she may do so; however, the Association shall be notified and shall have the right to have its own representative present at all proceedings.
- (3) No reprisals shall be taken by the Board or Administration against any employee because he/she utilizes the grievance procedure.
- (4) Should a grievance result from action taken by the Superintendent or the Board, a grievant may present his/her grievance initially at STEP THREE of the grievance procedure.

- (5) Forms developed jointly by the Board and the Association will be used for the filing of grievances.

C. PROCEDURE

STEP ONE:

- (a) A grievant may initially discuss the matter identified as a grievance with the immediate Superior in an attempt to settle the grievance informally. This is not intended to extend the time limitation as set forth in Section B, sub-section 1.

STEP TWO:

- (a) A grievant or the Association shall file a grievance in writing by presenting the written grievance to the Immediate Superior and forwarding copies to the Superintendent and the Association.
- (b) The grievant and/or the Association and the Immediate Superior shall meet in an attempt to resolve the grievance not later than seven (7) calendar days following the date on which it is filed.
- (c) The Immediate Superior shall communicate his/her decision in writing to the grievant not later than seven (7) calendar days following the meeting between the grievant and the Immediate Superior. A copy of the written decision shall also be forwarded, at the same time, to the Superintendent and the Association.

STEP THREE:

- (a) If the grievance has not been resolved at STEP TWO of the procedure, the grievant and/or the Association may request a meeting of his/her grievance by the Superintendent or his/her designated representative. This shall be done not later than seven (7) calendar days following the Immediate Superior's written decision.
- (b) The grievant and/or the Association and Superintendent or his/her designated representative shall meet in an attempt to resolve the grievance not later than seven (7) calendar days following the date on which the meeting was requested.
- (c) The Superintendent or his/her designated representative shall communicate his/her decision in writing to the grievant not later than thirty (30) calendar days following the meeting. A copy of the written decision shall also be forwarded, at the same time, to the Association.

STEP FOUR

- (a) In the event the grievant is dissatisfied with the determination of the Superintendent or his/her designated representative's written decision, and in the further event the

grievance involves the interpretation of application of this Agreement, the matter may be submitted to binding Arbitration. The grievant shall request in writing that the Association submit his/her grievance to Arbitration. If the Association decides the grievance is meritorious, it may submit the grievance to Arbitration. A Request for Arbitration and application to secure a list of Arbitrators through the New Jersey Public Employment Relations Commission ("NJ PERC") shall be made in writing within fifteen (15) school days following the written determination of the Superintendent or his/her designated representative. The parties shall then be bound by the rules and procedures of the NJ PERC in the selection of an Arbitrator. Failure to request Arbitration and make said application to the NJ PERC within the above period of time shall constitute an absolute bar to such Arbitration unless the Superintendent and the Association shall mutually agree upon, in writing, a longer time period within which to assert such a demand.

- (b) The Superintendent may also request Arbitration concerning any dispute regarding the interpretation or application of this Agreement. The time limits applicable to the Association are also applicable to the Superintendent.
- (c) The Arbitrator shall have no power or authority to add to, subtract from, change, or modify any of the terms of this Agreement.
- (d) The Arbitrator so selected shall confer with the Superintendent and the Association and hold hearings promptly, and the Arbitrator shall issue his/her written decision not later than twenty (20) calendar days from the close of hearings, or, if oral hearings have been waived, then from the date that the final statements and proofs are submitted to him/her. The Arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning, and conclusions on the issue submitted. The decision of the Arbitrator shall be submitted to the Superintendent and the Association and shall be final and binding on both parties.
- (e) The costs for the services of the Arbitrator, including per diem expenses, if any, and the cost of the hearing room, if any, shall be borne equally between the parties. Any other expenses incurred shall be paid by the party incurring the expense.

No teacher shall be required to sign a blank or incomplete observation form. In the event a teacher wishes to attach any comments to the observation form, such comments must be submitted no later than ten (10) school days following the conference and attached both physically and uploaded electronically. Specific suggestions as to measures which the employee might take to improve his/her performance in each of the areas wherein weaknesses have been indicated, citing specific domains and components/indications, shall be included in this report.

The

calculation for computing the complete waiver will be as follows and will be based on the annual NJEHP premiums for medical/prescription insurance: (medical*25%).

Should any employee fail to submit an insurance waiver and a letter showing proof of alternate insurance coverage before or at open enrollment, the waiver shall be forfeited, and the employee will be enrolled in the NJEHP single coverage plan. Payments for waiver shall be made in two (2) equal installments in January and June of the school year for which coverage was waived. The Delta Dental Preferred Plan maximum accumulated benefit shall be at least \$2000 of coverage per year and will have orthodontic coverage for up to 50% but not to exceed \$2000 for each employee and those who are covered under the Delta Dental Preferred Plan.

Employees shall have the option to buy up to the Delta Dental Premier Plan. If an employee chooses to buy up to the Delta Dental Premier Plan, the employee is solely responsible for the difference in costs between the Delta Dental Preferred Plan and the Delta Dental Premier Plan. This cost will be taken from the employee in equal installments over twenty (20) pay periods. The Delta Dental Premier Plan maximum accumulated benefit shall be \$2000 of coverage per year and no orthodontic coverage will be provided for this plan.

The dental cap for both the Delta Dental Preferred Plan and the Delta Dental Premier Plan shall be fixed at the rates in effect on June 30, 2028, which shall reflect the full actual costs to the Board of the benefit for each employee. As part of the Section 125 Cafeteria Plan, pursuant to the rules and regulations of the Internal Revenue Service, employees who submit proof to the Board and Matawan Aberdeen Regional Education Association of substitute coverage shall be permitted to waive dental insurance coverage in return for a \$100 payment. Payments for waiver shall be made in two equal installments in January and June of the school year for which coverage was waived. Employees will have the right to opt in/out of the Section 125 Cafeteria Plan each year by following the established procedure. The Optical Vision Plan premiums will be paid by the board for up to family coverage, including domestic partner. This is a hardware-only policy and eye exams remain with medical policies. The employee will have the right to opt in/out of the plan each year by following the established procedure. No substitute coverage or waiver payment will be permitted if an employee chooses to opt-out. In the event the Board seeks to change carriers during the course of this agreement, the Board must provide equal to or better coverage for the benefit plan then in effect.

- (1) Absences up to and including sixty (60) days - full credit.
- (2) Absences between sixty one (61) days and one hundred twenty (120) days - half step credit.
- (3) Absences in excess of one hundred twenty (120) days - no credit.

B. APPROVED REASONS FOR ABSENCE

Teachers shall attend their duties faithfully and shall not be absent therefrom except for personal illness or for other good and sufficient reasons authorized by these Board rules and regulations, or approved by the Superintendent or the Board. Teachers absent from school duty shall forfeit full per diem salary during such absence as hereinafter provided.

C. SICK LEAVE

(1) Sick leave is hereby defined to mean the absence of his or her post of duty for any of the reasons set forth in NJSA 18A:30.

(2) A teacher absent from school because of personal illness shall suffer no deduction of pay for each of the first ten (10) days of absence in any school year.

(3) If any teacher utilizes less than ten (10) days of sick leave in any school year, the number of days not utilized that year shall be accumulated to be used for additional sick leave if needed in subsequent years.

(4) Teachers shall be given a written accounting of their accumulated sick leave days no later than September 15th of each school year.

D. SICK LEAVE BANK

In accordance with N.J.S.A. 18A:30-10, the Matawan-Aberdeen Regional Board of Education ("Board") and the Matawan Aberdeen Regional Education Association ("MAREA") agreed to the establishment of a Sick Leave Bank ("SLB"). Sick leave drawn from the SLB shall be treated for all purposes as if it were accrued sick leave time of the employee who receives it. No employee shall be required to participate in the SLB. The SLB shall operate under the following provisions as mutually agreed upon by the Board and the MAREA:

1. Review Committee

A Review Committee shall be established by the Board and the MAREA. The Review Committee shall be comprised of six (6) members. The following members shall comprise the Review Committee:

- a. School Business Administrator
- b. Two (2) School Administrators
- c. Three (3) members of the MAREA

Should an MAREA member on the Review Committee request days from the SLB, he/she will be prohibited from any discussions regarding the approval/denial of the same application for usage. Rather, an MAREA Executive Board member shall be chosen by majority of the MAREA Executive Board members. This alternate member shall have the

same authority to review and approve/deny any applications for usage of the SLB as all other members of the Review Committee.

The Review committee shall receive a regular update on the number of days in the SLB not less than every two (2) months (excluding summer break).

The Review Committee is responsible for reviewing and approving or denying SLB requests. All approvals or denials of SLB requests must be voted upon by a majority of the full membership of the Review Committee. In other words, at a minimum, four (4) votes are required to approve or deny all SLB requests.

Only an employee who has exhausted or will exhaust his/her accumulated sick and personal days as a result of a prolonged absence caused by a catastrophic illness or injury will be given consideration for use of the SLB.

As part of its review, the Review Committee will take into account the frequency of intermittent use of sick days over the course of employment by the employee making the request. If an individual employee's request for usage of the SLB is denied, that individual employee retains the right to appeal the decision to the Review Committee, provided he/she presents new and germane information that was not included in the initial request.

Should the Review Committee deny the same request again, the employee will have exhausted his/her final opportunity for receiving days from the SLB for the catastrophic illness or injury for which the days were requested.

Said employee will retain no rights to take legal action. As such, legal action of any kind (including, but not limited to the filing of grievances or any other form of litigation), against the Board of Education (or any of its members individually), MAREA (or any of its members individually), the Administration, or Review Committee members is strictly prohibited.

The Review Committee is responsible for developing an SLB donation and request form. Said forms shall be distributed to employees at the following times:

1. Beginning of the year (September 1st through September 10th)
2. Upon hire, if after September 10th
3. When the SLB fall below fifty (50) days

An individual employee is required to donate to the SLB in order to receive/use donated days from the SLB. The maximum donation to the SLB is one (1) day per school year by each employee who participates in the SLB. If the number of sick leave days available in the SLB ever falls below fifty (50) days (even if the total days available fall below fifty (50) on multiple occasions), each and every time the number falls below fifty (50) days, individual donors may donate one (1) additional day.

The SLB shall never exceed 600 donated days. In order to be eligible to donate to the SLB, a donor must retain a minimum of nine (9) sick leave days after donating to the SLB. All donor contributions shall be voluntary. All contributions will be deducted from the

employee's accumulated sick leave total or from the current year's allotment of personal days. Any days donated shall not be refunded if unused by the end of the year. All donors have been advised, understand, and agree that when sick leave days are donated to the SLB, the sick leave days will be lost for use by the donor in subsequent years. Any sick leave days remaining in the SLB upon completion of the school year shall be used during the following school year.

Each request for usage of the SLB shall be limited to ninety (90) work days. Nothing shall prohibit an employee from making additional requests for more days.

An individual employee shall provide a written request for participation in the SLB on the donation and request form ("DRF"). Such DRF shall be provided to the employee by the Superintendent's office. All written requests shall be simultaneously provided on the DRF provided to the Superintendent and the School Business Administrator.

An individual employee's request for usage of the SLB shall include medical verification from a physician regarding the nature and anticipated duration of the personal disability due to the catastrophic illness or injury. If an individual employee is incapable of making and/or completing the written request for participation in the SLB, a family member or other responsible adult is allowed to make the request on the individual employee's behalf. The name of the family member or other responsible adult(s), and all necessary contact information, shall be provided on the written request from submitted to the Superintendent and School Business Administrator.

All documentation submitted by the individual employee, or by a family member or responsible adult, shall become part of the individual employee's permanent, confidential, medical file. Such documentation shall only be viewable by members of the Review Committee, and, if necessary, the Board-approved, District physician. Verification of continued personal disability due to catastrophic illness or injury may be required at reasonable intervals by either or both the Board of Education and/or the Review Committee.

The Review Committee shall render all decisions within thirty (30) calendar days from the date of the written request. A completed written request shall contain all components necessary for the Review Committee to render its decision.

If one (1) or more components of a written request is/are missing or incomplete, then the Review Committee shall render its decision within thirty (30) calendar days of the date of the corrected and completed written request. All decisions regarding a completed written request are strictly within the authority and discretion of the Review Committee.

(1) The Board shall grant leaves of absence for medical reasons associated with pregnancy and birth to pregnant teachers on the same terms and conditions governing leaves of absence for other illness or medical disabilities as set forth in N.J.S.A. 18A:30-1 et seq. and the rules, regulations and policy statements and this Agreement.

(2) It is recognized that a teacher's maternity leave application involves both a disability phase and a child care phase. The disability phase is that period of time, both pre-natal and post-natal, during which a physician certifies inability to work. The child care phase is that period of time selected by the teacher which follows the disability phase during which time the teacher voluntarily suspends her teaching career to care for the newborn child. The child care leave shall also be available to an adoptive parent or the father of a newborn infant.

(a) **DISABILITY PHASE:** Any tenured or non-tenured teacher seeking a leave of absence on the basis of medical reasons associated with pregnancy or birth shall apply to the Board. At the time of application, which shall be made upon sixty (60) days' notice to the Board, the teacher shall specify in writing, the date on which she wishes to commence leave and the date on which she wishes to return to work after the birth. The Board shall require any teacher to produce a certificate from a physician in support of the requested leave dates. Where medical opinion is supportive of the leave dates requested, such request shall be granted by the Board. It is understood that the disability period as certified jointly by the teacher's and the Board's physicians may be treated as compensable sick leave time at the option of the teacher.

(b) **CHILD CARE PHASE:** Where the requested leave dates are beyond the period of disability associated with pregnancy and is for child care purposes as defined above, the tenured teacher shall be granted, at his/her discretion, a leave for up to the balance of the

school year in which the birth or adoption occurred and the entire following school year. Any further extensions of child care leave shall be discretionary with the Board.

The Board need not grant or extend the leave of absence of any non-tenured teacher beyond the end of the Contract school year in which the leave is obtained.

(3) A teacher returning from pregnancy leave of absence shall be entitled to all benefits to which teachers returning from other types of sick or disability leave would be entitled. Nothing contained herein shall be construed to require the Board to grant tenure to any non-tenured employee who would not otherwise have been granted tenure or to offer a new contract for a new school year to any non-tenured employee who would not have been otherwise offered such a contract.

(4) No tenured or non-tenured teacher shall be barred from returning to work after the birth of her child solely on the ground that there has not been a stated or prescribed lapse of time between that birth and her desired date of return, except as is provided herein. Nothing contained in this article shall be construed to preclude the Board from requiring any teacher, after birth of her child, to produce a certificate from her physician showing that she is physically capable of resuming her duties.

D. LEAVE OF ABSENCE FOR OTHER REASONS

Leave of absence with pay will be granted only for reasons specifically mentioned in this Agreement. A leave of absence with full loss of pay shall be granted for any other emergency or urgent reason upon written application to the building principal. For the protection of the employee and for proper payroll accounting and audit, every absence must be accounted for in writing.

E. LEAVE OF ABSENCE FOR MILITARY OR NAVAL SERVICE

Leave of absence shall be granted for entry into military or naval service in accordance with N.J.S.A. 18A:6-33.

ARTICLE XXIII

SABBATICAL LEAVE

A. Sabbatical leave for a full year shall be granted to one (1) teacher per year.

B. A teacher, in order to be eligible for a sabbatical leave, shall have been employed in the school district for a minimum of seven (7) years at the time the requested leave is to commence. Candidate must be in good standing for prior 3 years (includes good evaluations, good attendance and no discipline letters).

C. A sabbatical leave shall be granted only for an educational purpose that will enhance opportunities for student learning and strengthen student programs within our district. The teacher shall submit a sabbatical completion form and make it turn key by sharing their learning (without pay) with the school community (e.g., faculty) upon completion of the sabbatical.

D. A teacher on sabbatical leave shall receive one half of the salary which the teacher would have received had he remained in the district.

E. The teacher will submit an application in writing on forms provided. The application shall be filed with the Superintendent on or before March 15th of the school year preceding the school year in which the sabbatical leave is to commence. Candidate shall present their reasoning and rationale to the board for sabbatical request prior to board approval. Candidate is entitled to representation when presenting to the board. The sabbatical leave shall be granted on the basis of seniority in the school district. A staff member shall be precluded from taking a second sabbatical leave if another applicant has not previously been granted such a leave.

F. Subject to limitations provided by law, pension and insurance payments will be deducted from the salary of the teacher while he is on leave, based on one hundred (100%) percent of his contractual salary; and health benefits for the year will be paid as if the teacher were not on leave.

G. Salary payments will be made on the same basis as the regular staff. Payments will not be made in advance.

H. Sick leave shall not accrue while on leave.

I. In the event of serious and/or lengthy illness which prevents the start or completion of the sabbatical program, the teacher will apply for normal sick leave, and/or other leave, if necessary, at which time the Board's sabbatical salary contribution shall cease.

J. A teacher who is granted a sabbatical leave shall, upon completion of the sabbatical leave, either return to the district for a school year (according to district approved calendar) or shall reimburse the Board for all salary received while on leave.

K. Credit on the salary guide shall be earned by the teacher while on sabbatical leave.
