

THE ALTAMONT SCHOOL

Altamont School partners with School and Student Services (SSS) in our Tailored Tuition process. To begin your Tailored Tuition application, you will complete the Parents' Financial Statement (PFS) then submit the required documents for our school as indicated below.

The PFS is a comprehensive application that will take some time to complete. Give yourself the time you need by not waiting until our deadline approaches. You'll need your most recent tax return (tax year 2023) before beginning the PFS. We also recommend reviewing resources to help families with the financial aid process. They are found at

<http://www.solutionsbysss.com/parents>.

Altamont School will communicate the Tailored Tuition decision to you. To make our decision, we use the information from the PFS as a starting point and consider our school policies, practices, and available budget.

HOW TO COMPLETE YOUR PARENT FINANCIAL STATEMENT (PFS) ONLINE

- On or after September 3, 2024, go to the Family Portal <https://sssandtadsfa.my.site.com/familyportal>.
- Create your Family Portal account with your email address and a password. If you applied for Tailored Tuition last year, log into the Family Portal as a Returning Family using your same email address and password.
- Complete a PFS for Academic Year 2025-2026. You can log out at any time and return later to finish it.
- When all PFS sections are complete with green checks, the Submit & Pay button activates. Follow prompts to the payment screen. The \$60 fee is nonrefundable. Once your PFS is submitted, it cannot be withdrawn from the SSS system.
- After you pay for and submit your PFS, the next step will require you to upload required documents by their deadlines.

HOW TO SUBMIT REQUIRED DOCUMENTS ONLINE

- Prepare your document files for uploading. Make sure the documents are on your computer and each specific form is saved as a separate file. Examples: a) 1 PDF file for the 1040 with all schedules and worksheets included, b) each W2 saved as its own file. Remove any security or password protection from your files.
- Return to your Family Portal account and confirm you are on the Academic Year 2025-2026 Dashboard.
- In the "Required Documents" section, use the Upload button or link associated with the specific document type. Follow prompts to locate, select, and confirm the file to upload.
- Click the Submit button to complete your upload. The date will appear in the "Date Uploaded" column within minutes of the upload. Repeat this process until all required documents are submitted by their deadlines.
