

CLEP Registration Form

The College Board's College Level Examination Program (CLEP) is a nationally recognized credit-by-examination program that provides high school students an opportunity to demonstrate their mastery of college-level materials in introductory subjects and earn college credit. Developed by the College Board, CLEP has been the most widely trusted credit-by-examination program for over 40 years, accepted by 2,900 colleges and universities and administered in over 1,800 test centers. A passing score on particular tests allows students to earn between 3 and 12 credits of college-level coursework before leaving high school, depending on the guidelines of the specific postsecondary institutions. CLEP scores are available immediately upon completion of the exam. **The amount of credit you can earn on an individual CLEP exam varies with each college.** Refer to the college credit policy search (<https://clep.collegeboard.org/clep-college-credit-policy-search>) or contact the university you intend on attending to determine which course(s) you would receive credit for based on the selected CLEP test.

IMPORTANT: Participation in CLEP tests will require you to register and pay for a test through the College Board. You may receive a test voucher to take a CLEP test for FREE by completing the Modern States curriculum for your selected test. Refer to the following website for voucher information: <https://modernstates.org/>. We will meet in January/February to ensure that you have the directions to register for the test and are aware of the opportunity to complete the Modern States curriculum to receive the free test voucher.
