**A local community member
needs our help!**

Maggie Watson, a 49-year-old Plum Borough resident and mother of two, is in the fight of her life. Maggie was diagnosed with breast cancer in 2018 and successfully underwent a double mastectomy and chemotherapy.

This September, Maggie was diagnosed metastatic breast cancer that has spread to her bones and bone marrow.

This type of cancer requires Maggie to undergo weekly blood transfusions along with her chemotherapy.

Help us replenish the local blood supply and support Maggie in her fight. Maggie is currently a guidance counselor at Linton Middle School in Penn Hills and is very active in her community.
