

Community Connection Proposal

During your Sophomore through Senior years students must complete a minimum of eight hours of Community Connections each year.

During your Junior year four of the eight hours must be in a Job Shadow experience. Students may complete all Community Connection hours through a Job Shadow, or they may complete their hours by doing a combination of a job shadow and volunteer hours in the community to total a minimum of eight hours. Students who complete volunteer hours in addition to their Job Shadow must fill out this Community Connection Proposal Form.

Complete all information and turn in to your Advisory teacher before completing your Community Connection hours.
