Access and Dissemination Bureau
Texas Department of Public Safety
Crime Records Service
P.O. Box 149322
Austin, TX 78714-9322

Please Note: After you sign the DPS User Agreement for FACT and return the required paperwork that will be emailed to you, New Caney ISD will provide a Fingerprint Services (SERVICE CODE FORM) for you to register for a fingerprinting appointment. Follow the directions of the form by logging on or calling into Identogo and you will be able to schedule an appointment for the fingerprinting.

Step 2: RECEIVING YOUR SERVICE CODE FORM AND SCHEDULING YOUR APPOINTMENT

If you are a general contractor (GC) or subcontractor (SC) your secure site account will first have to be approved and then an ORI number configured. You should receive a series of email messages from the secure site, but the process won't be completed until you receive the message notifying you that “You have a message in your message center.” At this time you can log onto your account and retrieve your SERVICE CODE FORM from the message center on the secure site.

Companies, Vendors, GC's, & SC's will give the SERVICE CODE FORM to anyone who will be working on school grounds. Employees or subcontractors under you will make an appointment for fingerprinting using the SERVICE CODE number you give them (not the schools' number). They will visit Identogo, <https://uenroll.identogo.com/>. They will need to bring their required form of ID and proper payment to your appointment.

Companies can use their secure site account to check their employees' backgrounds to make sure that they don't have any offenses that would keep them from working on school grounds. In the COCISD information packet, there are forms that must be signed by the company that certifies that the employees of the company have completed the fingerprinting process and that you (as the DPS account holder) will notify COCISD if there is a change in one of your employee's status.

Step 3: AFTER YOU HAVE COMPLETED FINGERPRINTING

Once you have completed the fingerprinting process, you must notify the COCISD Purchasing Department. COCISD will make a copy of the receipt and return the original to you for your records. Once the entire contract is reviewed and signed by COCISD, you are able to provide services to the district. If for any reason your fingerprinting or criminal background check reveals any of the characteristics that do not meet the District's expectations, your approval as a contractor for COCISD will be denied. If you have additional employees that work for your company, it is your responsibility to insure that those employees are fingerprinted, monitor their records and notify COCISD if their approval status changes.
