A message from the Headteacher

Dear Parents and Carers,

It has been another busy week in school! Year 5 had a great time visiting Winchester Science Museum, as part of their science topic of 'Space'. Year 1 went to visit Eton College's museum this week, and travelled back in time to discover children's toys from the past and Reception class visited Little Street. You can read more about all these visits over the page.

We were lucky enough to welcome children's author Phillip Kavadias to school today. He had ran a session with children from Years 3 to 6, talked about his job as an author and asked the children for suggestions for his new book. I know the children enjoyed this visit and gave them inspiration for their own writing.

Have a good weekend.

Mr T. Brunson
Headteacher

Worship Section

Every October in the UK, we mark Black History Month.

In collective worship we have looked at why Black History Month is important, and began looking at some stories of people who have made important contributions to British history, but may have been overlooked.

We will continue this series next week looking at influential inventors and scientists.

Church Section

Sunday 13th October - This Sunday at St Thomas', the service is at 11:00am. Everyone receives a warm and friendly welcome. Many children attend and they enjoy friendship and fun. Children can sit with parents or take part in table activities at the back of the church. Refreshments are served afterwards.

Attendance

Year 5	99.54%
Year 6	98.13%
Reception	97.92%
Nursery PM	97.73%
Year 2	96.67%
Year 4	94.17%
Nursery AM	92.77%
Year 3	91.38%
Year 1	87.07%

Nursery Spaces Available

If you have a child who turned 3 years old before the summer break, we may be able to offer you a space in our Nursery. Please contact Mrs McLaughlin in main Reception for more information.

Please be aware that we have a **waiting list** for places from January, for children who turn 3 years old between September and December.

Star of the Week

Year 1 - Yusha

Year 2 - Aarav

Year 3 - Gabriela

Year 4 - Sehaj

Year 5 - Nimrit

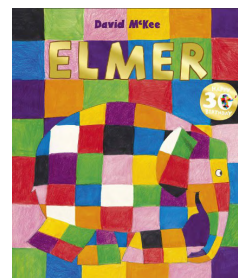

Year 6 - Zara

Well done to all the children that were awarded certificates this week. Keep up the good work!

Look at what we have been up to

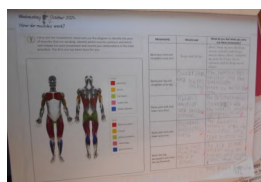

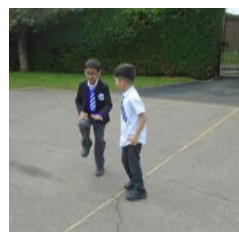

This week in Resource Base we have been practicing listening for our initial sounds in Phonics this week. We have enjoyed looking around our classroom for things to match to their initial sound.

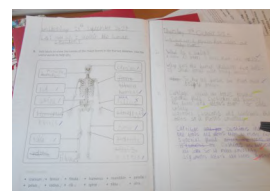

Reception had a great time at Little Street on Monday. They enjoyed exploring the role play areas and developing their communication and language skills

In Year 2 we have been learning about the importance of exercise in Science and how it is important for us to keep healthy.

Year 3 the children have been learning about the skeletal system. They have really enjoyed learning all about the bones & muscles in their bodies.

Year 4 have been discussing why we should care about other people's feelings. We looked at various scenarios and wrote about solutions to the problems. We freeze framed how we could help someone in need.

In Year 6, at the beginning of the week we explored square and cubed numbers and the difference between them. We drew out arrays in order to compare them. We also worked out some puzzles and problems.

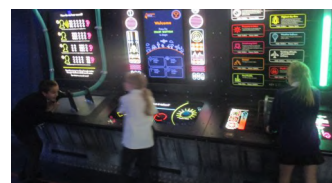

Year 1 Eton College trip

On Tuesday Year 1 went to Eton College to their museum full of toys from the past. The children then enjoyed making posters about what they had learnt, practising their Oracy skills by presenting them to the class.

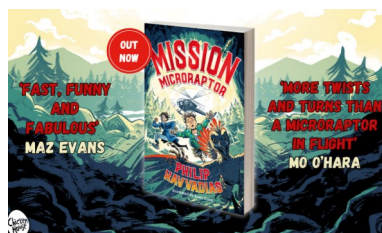

Year 5 Winchester Science Museum

Year 5 went on an intergalactic trip to Winchester Science Museum yesterday where they got the experience what life is like in space. Exploring & learning about planets, dwarf planets and space travel. It was an out of this world experience for them all!

Visit from Author

Children in KS2 had a visit from a local author today, Philip Kavvadias. He spoke about his current book Mission Microraptor and asked the children for their opinions on suggestions for his up coming books in the series. If you wish to purchase the book for your child, it is now available to buy on the Teacher2Parent app at £4, which usually sells for £7.99 in bookstores. Look out for competitions coming up later in the year about the next books in the series!

DIARY DATES

Overdue dinner money

This is a reminder to all parents that lunches need to be pre booked and paid via the Teachers2Parent app. If you are having issues or unable to pay via the app please come to the school office and pay in cash. If your account is in arrears you will be receiving a message from the school office to make payment in full. Any issues please speak to a member of the school office.

Poppy Sale

Remembrance Day is Monday 11th November, and we will be marking this day with a minute silence at 11:00am.

Poppies are now on sale from main Reception. There is a mixture of items available to purchase which include wristbands, pin badges and paper poppies.

Prices vary from 50p to £1.50 per item.

All proceeds go to the Royal British Legion.
