

Notice of Intent to Apply for 21st Century Community Learning Centers Grant

In accordance with the application instructions from the Kentucky Department of Education, the Taylor County School District hereby submits this Notice of Intent to apply for a continuation of the 21st Century Community Learning Centers Program Grant serving Taylor County Intermediate School.

The Purpose of the 21st Century CCLC Program is to provide academic, artistic, and cultural enrichment opportunities for our students during non-school hours. The program offers a balance of enrichment programs that include homework assistance, evidence-based support services, and meaningful family engagement activities.

To provide input on the program or to view the grant application, contact Lindsey McPherson, Taylor County Schools District Grant Writer at lindsey.mcpherson@taylor.kyschools.us.

To provide anonymous feedback regarding the district's current 21st CCLC programming, please complete this brief survey:
