Attendance

Also in attendance was Dr. Amy Zielinski, Superintendent.

**Presentation
Artificial Intelligence**

Dr. Flavio Esposito, BSD parent and Associate Professor in the Department of Computer Science at St. Louis University, gave a presentation on artificial intelligence.

Dr. Esposito, Board members, and Dr. Zielinski reviewed key applications of AI in education for: Student success/DEI; School culture; Data privacy and ethical concerns; Impact on staff and school operations; and Unified community engagement.

Dr. Esposito said AI could help with personalized tutoring and learning. Educators should have proper training and clear ethical guidelines. Collaboration with universities and industries, continuous policy updates, and on-going education will be needed for successful implementation.

Presentation Cyber Security and Data Privacy	Mr. Shawn Parker, Information Technology Manager, gave a presentation on cyber security and data privacy. Mr. Parker, Board members, and Dr. Zielinski reviewed student data privacy, infrastructure health, technology lifecycle, and user management. Mr. Parker also provided a BSD IT wish list.
ACTION 37 Adjournment 9:10 p.m.	The motion was made by Mr. Ryan Flynn and seconded by Mr. Ryan Dodson to adjourn. The motion was approved by a 6-0 roll call vote.
