What is TSIA 2?

The Texas Success Initiative Assessment (TSI) is a state-required assessment to determine college readiness in the subjects of Reading, Writing, and Mathematics. All Dual Enrollment students must take the TSI assessment before enrolling into college courses. Students not meeting the minimum requirement for a passing score will receive tutoring within their normal school day and after school. There will be multiple opportunities throughout the year to take the assessment. Students will sign up with the Student Success Advisor the week before the date of the assessment. Slots are limited so it is important that student’s sign-up as soon as possible.

Intervention Expectations

The Coordinator of College Programs will assign each student URL links to study for the TSIA through the online platform, EdReady. Students are expected to register and sign on to their EdReady accounts every day during their 4th period (Aggie OT) to study for their TSIA exams. EdReady will indicate when students are ready to take the TSIA. Their progress will be tracked and monitored throughout the duration of the school year.
