## Expectations

### BE RESPONSIBLE

Come to class on time and be prepared with class materials. Follow class rules and procedures.

### BE RESPECTFUL

Respect yourself, your peers, your teacher, and class supplies. Respect is the foundation of this classroom!

### DO YOUR BEST

Put effort into your work and participate in class. It's ok if you try and fail but it's not ok to fail to try!

## COURSE DESCRIPTION

This course will cover topics such as, but not limited to trigonometric functions as they apply in right angle situations, complex numbers, vectors, basic trigonometric identities, law of triangles, and circular functions.

*"You never know what someone else is going through. Be kind. Always!"*

## TECH POLICY :

All phones, headphones, and ipads must remain off closed unless you are given permission to have them out. If you have been given permission to use tech during class you are NOT allowed to text, call, or engage in social media. If you do not follow these rules you will lose the ability to use tech during class for one week. If you continue to break this policy your tech privilege will be revoked permanently.

## EXTRA INFO:

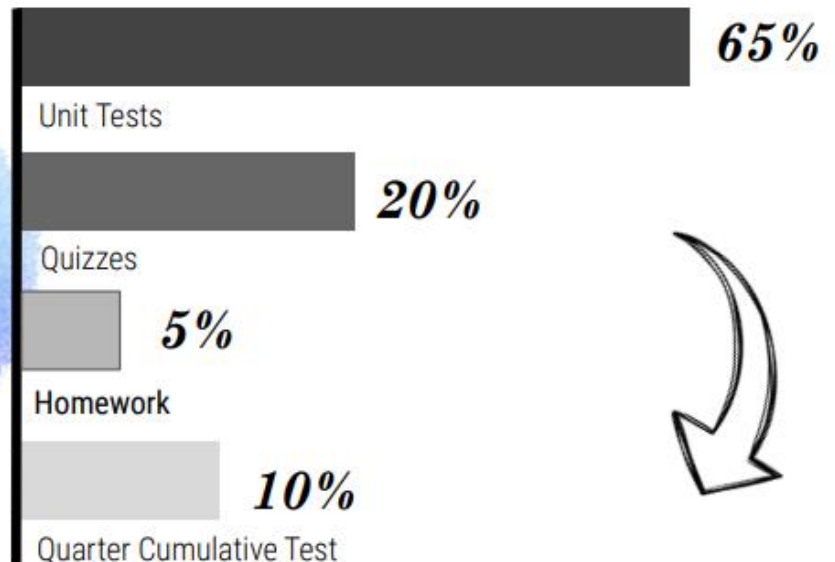

- Be on time for class each day. Each quarter you will be given a drop of your lowest quiz. Unexcused absences or tardies will result in a loss of this!
- 'WIN' sessions will be designed to help you get extra practice. You may come any time for some extra help. You can also be required to come to one of these sessions - check schedule for info on each week's win sessions!

## Grading

In this course your grades are broken up into 4 categories

Each of these categories are weighted differently. This means that a test or major grade will affect your overall average more than a homework grade.

Each quarter grade will be worth 50% of your semester grade

## ABSENT/MAKE UP WORK

If you are absent, you are still responsible for the material. All material & lessons are posted on schoology. If you miss a quiz or test you need to get it made up asap!

You may turn in late work for partial credit up until the test day. If you are going to be gone, communication is key!
