Support Northview's Step team, Rhythm Nation, at the African American Arts Festival on 10/19 from 12-6pm at Suwanee Towne Center. They will be performing at 2:30pm. Step is a dynamic and percussive art form that originated within African American communities, blending elements of dance, vocal expression, rhythm, and soul. This unique style transforms the body into an instrument, where each movement and sound contributes to a powerful collective experience. For more information:

Do YOU need service hours?
Would YOU like double the service hours?
Do YOU have a "green thumb"?

Alto Senior Living needs volunteers to plant daffodils in front of the property across the street from Northview High School. This service project is in conjunction with the John's Creek Beautification initiative. The city has large groups of daffodils planted all over the city. We planted over 1100 bulbs last year and we aim to plant another 500 on Saturday October 26th. It might only take a few hours (2 or so at the most). We will give double the volunteer hours if you YOU are able to participate. Please let Coach Adley (Health room # 944) know ASAP if you can help.

Simply Advice Meeting

Underclassmen – are you in need of help understanding how to succeed in High School? If so, come to Simply Advice's High School Tips meeting this Friday in the Media Center Room! We will go over how to guarantee your success in High School. From notetaking strategies to high school roadmaps, we will go over everything you need to do your best in High School!

As we approach Halloween, Thanksgiving and other winter holidays, we would like to remind that you no student is allowed to bring and distribute food, candy, desserts, baked goods (store bought or homemade) or any other edible items to school without the explicit permission of a teacher or administrator. Students who bring these items and/or distribute these items without permission will receive discipline for Student Code of Conduct violation 7A: Failure to Follow Rules and all food/candy items will be confiscated. Please know that this expectation is to keep all students safe.

In order to keep yourself safe, please never eat or consume anything given to you by another student or person, anything you have not brought from your home or anything that is not in its original sealed package. This is due to recent national and state reports about students sharing edible items and synthetic medications with other students that contain very harmful substances.

Thank you for doing your part in keeping yourself and others safe at school.
