

LEAP 360/LEAP 2025

Lakeshore High School
2024-2025

LEAP 360

- LEAP 360 Diagnostic was administered in August in English I and English II
- LEAP 360 Interim is administered in February in English I, English II, and Geometry and in March for Algebra I.
- These assessments are used to gauge a student's prior knowledge and their progress throughout the school year. Teachers use these assessments to develop lessons and interventions/extensions throughout the school year.

District Checkpoint

- These assessments are used to gauge a student's progress throughout the school year thus far. Teachers use these assessments to develop lessons and interventions/extensions throughout the remainder of the school year.

District Checkpoint

ELA	MATH	SCIENCE	SOCIAL STUDIES
English I English II	Algebra I Geometry	Physical Science	Government
Checkpoint 1: September 30 – October 11	Checkpoint 1: September 30 – October 11	Checkpoint 1: September 30 – October 11	Checkpoint 1: November 18 – 22
Checkpoint 2: December 17 - 20	Checkpoint 2: December 17 - 20	Checkpoint 2: February 24 – March 14	Checkpoint 2: February 24 – 28

LEAP 2025

- State tests to measure student's knowledge and skills in the following subject areas and their readiness for the next level of study.
 - English I, English II
 - Algebra I, Geometry
 - Biology, US History
 - Government (beginning class of 2028)
- Administered April 2 – May 14
- LEAP 2025 will count as student's final exam.
- Advanced, Mastery, Basic, Approaching Basic, Unsatisfactory
- Retest is administered in December and June.

LEAP 2025

- At LHS, teachers are preparing students for the LEAP test on a daily basis through LEAP practice, writing tasks, and lessons aligned to state standards.
- Attendance is directly related to performance on the LEAP 2025.

College Credit Options

Lakeshore High School

2024-2025

Advanced Placement Courses (AP)

- **Advanced Placement (AP)** is a program in the United States and Canada, created by the College Board, which offers college-level curricula and examinations to high school students. American colleges and universities often grant placement and **course** credit to students who obtain qualifying scores on the examinations.

AP Course Offerings 2024-2025

- AP English III
- AP Calculus
- AP Statistics
- AP Human Geography

AP Credit Policy Search

- Use this [tool](#) to find colleges that offer credit or placement for AP scores.

AP Test Dates

- Human Geography – May 6 @ 8am
- Statistics – May 8 @ 8am
- Calculus – May 12 at 8 am
- English III – May 14 at 8 am

CLEP

- College Credit Option
 - [CLEP College Credit Policy Search](#)
- [Courses 2024-2025](#) – Student/Parent Choice
- Modern States ≠ Louisiana Curriculum
- CLEP Testing Dates – March 24, 2025
 - Bus to Treen Technology Center (computer lab)
 - 3 Sessions
 - Indicate which test on registration form
 - Must pay for test or receive free voucher by completing Modern States curriculum for the specific tested subject

College Board Account

- All students in AP classes create a college board account. This account allows the students access to AP Central and test scores to send to colleges.
- CLEP/PSAT
- Must use valid email address.

Dual Enrollment Courses (DE)

- The Dual Enrollment Program affords students the opportunity to earn high school credit and college credit simultaneously while remaining in the familiar environment of high school. Through our program, courses are presented on high school campuses in partnership with Southeastern, Nunez, and Northshore Technical and Community College.
- Students receive LHS and college credit.

DE Transcripts

- All DE grades will become part of the student's college transcript and will be included in the calculation of the college GPA. This will affect the student's continuation for TOPS eligibility.
- Students are required to submit transcripts to colleges.

DE Course Offerings 2024-2025

Academic Courses through SLU

- Pre-Calculus (College Algebra and Trig)
- Chemistry
- Biology II
- English IV (English 101/102)

Career Courses through NTCC

- EMT
- Pre-Practical Nursing
- HVAC
- Welding
- Algebra III
- Psychology

Career Courses through Nunez

- ProStart I and II

DE Requirements

- 2.5 GPA
- ACT/Pre-ACT/SAT/PSAT Score
- Fees
 - SLU - \$225 per 3 hour course; parish paid for 12 hours this year
 - Northshore Tech - \$225 per 3 hour academic course; Off campus courses generally covered by parish
 - Withdrawal from course

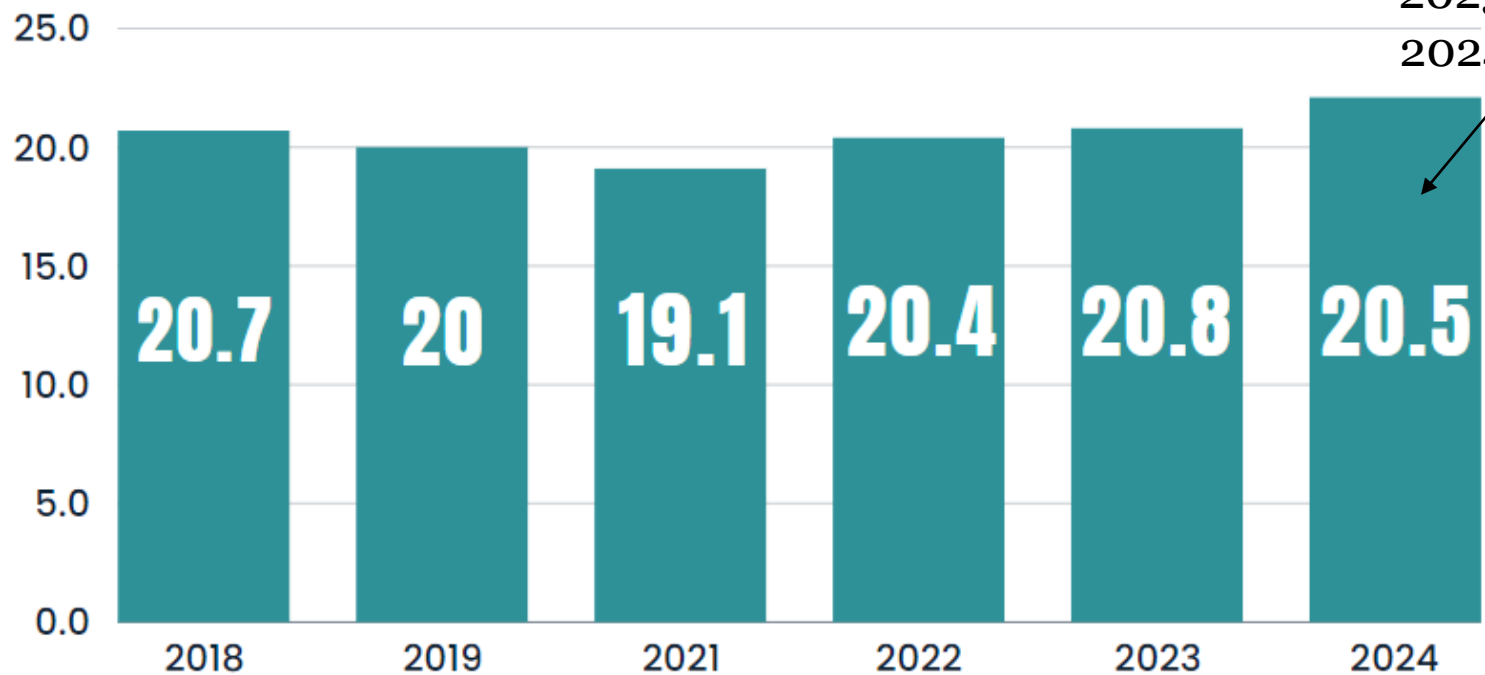

Benefits of AP, DE and CLEP

- “Get your 1st year for free.”
- Equally or more successful than students earning credit on campus.
- Potentially decrease the cost of college by earning college credit in high school
- Develop College-Level Academic Skills
- AP and CLEP – one test at the end of the course determines pass/fail
- DE – tests throughout the course determine pass/fail

Test Information Release for the 2024-2025 testing year will occur in September, December, and February. See www.act.org/the-act/tir for more information.

What is Test Information Release (TIR)?

More retesters improve their scores – and their gains were twice as high on average – after purchasing their TIR than retesters who did not use a TIR or other test prep.

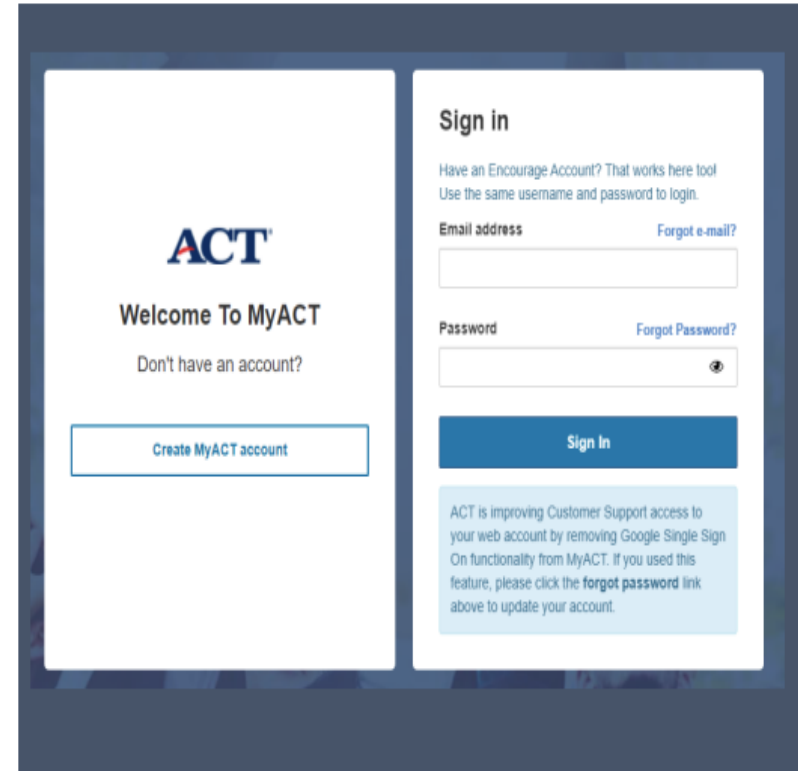

- A copy of the multiple-choice test questions
- A photocopy of your answers
- The answer key
- Added more dates: available in September 2024, December 2024, and February 2025
- \$32 if ordered before the test begins; \$40 if ordered after the test begins

National testing students:

- Register for the ACT test
- Request Accommodations/TAA

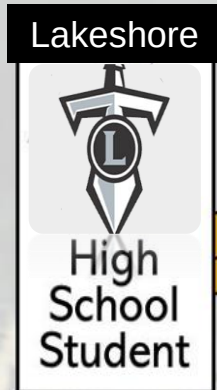

All students:

- Get and send score results
- Access free online test
- Access other test prep resources
- Explore interests, aptitudes, what they value
- Educational Opportunity Service
- Complete non-test questions, including inventories

The screenshot shows the MyACT website interface. On the left, the ACT logo is displayed above the text "Welcome To MyACT". Below this, there is a link "Don't have an account?" and a button labeled "Create MyACT account". On the right, there is a "Sign in" section. It includes a message: "Have an Encourage Account? That works here too! Use the same username and password to login." Below this are input fields for "Email address" (with a "Forgot e-mail?" link) and "Password" (with a "Forgot Password?" link and an eye icon for toggling visibility). A blue "Sign in" button is positioned below the password field. At the bottom of the sign-in section, a light blue box contains a notice: "ACT is improving Customer Support access to your web account by removing Google Single Sign On functionality from MyACT. If you used this feature, please click the forgot password link above to update your account."

Lakeshore High School's GRADUATION PATHWAYS

Just as our TOPS University courses support ACT testing, we designed a way for JumpStart CTE electives to do the same for WorkKeys preparation.

What is ACT WorkKeys?

WorkKeys is a standardized test developed by the same company as ACT used to measure the ability to solve **actual workplace problems**. WorkKeys measures a range of skills relevant to any job, at any level, and across many industries.

ACT WorkKeys Tests

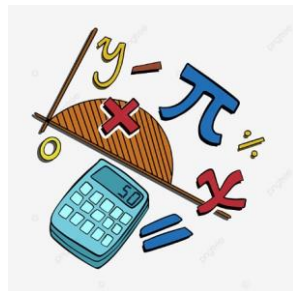

GRAPHIC LITERACY

Find, analyze, and apply workplace **graphics**

WORKPLACE DOCUMENTS

APPLIED MATH

Measures critical thinking, **math** reasoning, and problem solving techniques for situations that actually occur in the workplace

WorkKeys Score Levels

Your overall ACT WorkKeys score is your lowest score! It is not an average like ACT.

For example, if a student scores a 4 in Graphic Literacy but a 6 in Workplace Documents and a 6 in Applied Math, that student receives a SILVER (4).

Certificates	 Level 3 score on all assessments earns Bronze certificate	 Level 4 score on all assessments earns Silver certificate	 Level 5 score on all assessments earns Gold Certificate	 Level 6 score on all assessments earns Platinum certificate
---------------------	---	---	---	---

These scores are important even after high school! Employers and community colleges/technical schools use WorkKeys scores to determine your level of readiness for the workforce and/or success at a 2-year college. We highly encourage students to include their ACT WorkKeys scores on resumes, mention them in job interviews, etc.

Sample Applied Math Question (Silver)

The receiving department just received a shipment of 15 boxes of fragile bulbs. There were 8 bulbs in each box. Unfortunately, inspection of the bulbs revealed that 11 had been damaged during shipping. How many *undamaged* bulbs were received?

- ☐ 109
- ☐ 88
- ☐ 120
- ☐ 11
- ☐ 23

LOADING PROCEDURES FOR NEW CLIENT

Each Wednesday, we will need to ship 10 pallets for a newly acquired client, IOCP Industries. As you may know, this is a larger weekly order than we are used to and our client has very specific shipping requirements. Read and adhere to the instructions below so we can make sure to keep this client happy and returning for more business.

- Load soft, breakable, and fragile items in pallets 1 and 2. These items are being shipped to a different location, so load these pallets, and only these pallets, on the smaller secondary truck. Load these pallets first so the secondary truck can head out on its delivery route as soon as possible.

- Pallets 3, 4, 5, and 6 are reserved for metal materials. Make sure to sort them appropriately by size to utilize space as efficiently as possible. These pallets should be placed on the larger primary truck first because they are the heaviest and could damage any materials shipped underneath them.

- Pallets 7, 8, and 9 are reserved for plastic materials. Be careful when stacking them on the pallets so that you don't bend or break any of the materials. They are durable, but still prone to breaking and bending. These pallets should also be loaded on the primary truck.

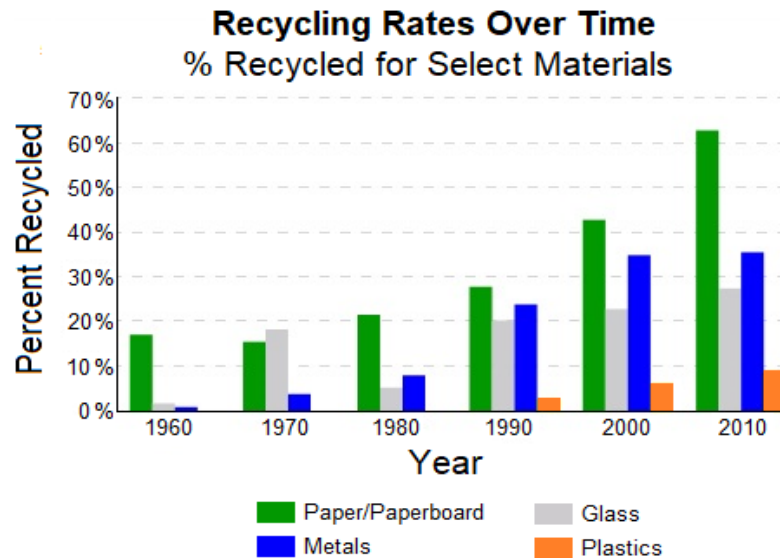

- The 10th pallet is reserved for water jugs. Make sure to alternate each row of jugs between upright and upside down to maximize space, and use the clear packing tape to ensure the pallet remains intact during delivery. These pallets must also be placed on the primary truck.

Delivery trucks need to arrive at their destinations by 4 pm each Wednesday. The primary truck's route takes about 2 hours, and the secondary truck's route takes about 3 hours. To be safe, we should make sure that both trucks are packed and ready to go before lunch. If we happen to have a lot of deliveries to make on any particular Wednesday, handle this shipment first thing in the morning because it is our highest priority.

In the context of the procedural notice above, what does “adhere to” (used in the opening paragraph) most nearly mean?

- ☐ Understand
- ☐ Attach
- ☐ Update
- ☐ Obey
- ☐ Cling to

Sample Graphic Literacy Question (Silver)

There has been a significant shift in the percentage recycled of different materials over a fifty year period. Based on the chart below, in what year did the “Percent Recycled” for *glass* exceed that of paper?

- ☐ 1960
- ☐ 1970
- ☐ 1980
- ☐ 1990
