Student Health Advisory Council Meeting

Oct. 16, 2024

Assistant Superintendent of Administration and Human Resources Shelby Balser calls meeting to order

Review of Wellness Policy with Child Nutrition Director Scott Anglesey

- Nutrition, Education and Promotion – recommendation from group: specifics to better track results
- Student Engagement Plan – need more student engagement
 - Suggestion to hold meetings at Tivy to get student involvement
- Wellness Promotion and Marketing
- Assessment overall – make more specific goals
- Next steps for Scott – review with Balser, more specific assessment going forward
- Balser asks for input on holding a meeting at Tivy during 12 – 1 p.m. time frame in the future – input is supportive of this

Bullying Prevention Education with Safe & Supportive Schools Coordinator Amy Waiser

- Sandy Hook Promise education materials/lessons overview
- Say Something – ties into our P3 reporting system
- Last week in September – See Something, Say Something campaign with connection to P3 reporting tool
- Balser shares dive into P3 system and how it works
- Balser shares where to find School Safety information on KISD website and link to P3 website
- Feedback from group to be sure elementary campuses are sharing access and information to P3 for parents
- Balser shares SHAC Page on the website for future meeting dates

Balser announces next meeting in December and adjourns the meeting.
