

PUBLIC HEARING NOTICE

Gainesville School District will hold a public hearing on Friday, October 11, 2024 at 5:00 PM at the Gainesville School located at 422 Bulldog Dr, Gainesville MO, 65655 to discuss the submission of an application to the Land & Water Conservation Fund (LWCF) program. The school is interested in obtaining all citizens' input on school/community development needs within the region. As part of the hearing process, citizens will be asked their opinions to reflect their true desires relating to the proposed project application. The school district is requesting funds for construction of a modern 8-lane track to replace the existing 5-lane asphalt track and to provide ADA-compliant parking spaces to ensure accessibility to the track. This new track aims to enhance the quality of outdoor recreational opportunities for Gainesville residents. The approximate project cost will be \$1,000,000. All citizens are encouraged to attend to comment on the proposed activities.

For more information on the proposed project, contact School Superintendent, Justin Gilmore at 417-679-4260.
