****PLEASE READ THE SECTION BELOW IF YOU HAVE TRAVEL PLANS DURING THE SCHOOL YEAR****

INDEPENDENT STUDY (!)

Please note Theodore Judah is a public school. Attendance is required in the state of California and there is no vacation time. We follow the guidelines set by the State of California and the School District regarding attendance. Please plan vacations and family trips during school holidays. Pulling students out of school causes disruption to their learning and can be very challenging for our staff.

If your student will be absent from school for 3-15 consecutive school days due to travel or another reason, please contact the Theodore Judah office **at least 10 SCHOOL days before the absence** to request an Independent Study Agreement. Requests made with short notice will not be granted.

Assigned Independent Study work must be turned in upon the student's scheduled return to school. Independent Study work not turned in on the student's scheduled day back will void the agreement, resulting in no attendance credit.

Remember, you must contact the school office to request an Independent Study Agreement at least 10 school days prior to your student's planned leave of absence. **Independent study is not permitted during the first and last two weeks of school. Students with extended absences during this time will be disenrolled. We do not approve students leaving the school year early for travel plans. Please plan all travel after school is out for summer break.**

See the attendance page (here) on the FCUSD website, call, or visit the school office for more information about Independent Study Agreements.

Sincerely,

Dr. Jonathan Johnson, Principal
