Shawnee Mission School District
RFP 24-014 – Internet Services
October 17, 2024

Addendum No. 3

The following response addresses question(s) submitted by vendor(s) on October 16, 2024; responses to the questions are indicated in **bold**. If you feel that a question has not been addressed, please contact Reed Beebe at purchasing@smsd.org as soon as possible.

1. Is the District requesting a managed service provider that will utilize two separate ISP's or will the District consider bids from a single ISP for multiple connections?

   To clarify, the District is seeking to have two (2) separate connections from different geographic locations with no common point of failure, so that each connection, in an emergency, can support the District's entire Internet connection with minimal risk that both connections can be taken down by the same event at the same time.
