Dual Enrollment & Early Start

WHS students can get a jump start on their college education.

Take classes at Delta College while you are still in high school!

Dual Enrollment

Through our [Dual Enrollment Program](#), you will take college courses **at your high school** campus. Your classmates will be your peers from your school or district only. **on College Transfer and Career Pathways** high school and college. **UNAVAILABLE** Dual Enrollment. Your counselor to find out more about the courses. You **do not pay tuition** or fees. **are not charged for textbooks or classroom supplies.** Textbooks are open source or provided for free.

online or in person (when available)

College Early Start

You may **register for any courses offered at Delta** College while in high school or in adult ed school, as a College Early Start student, if you meet prerequisites. **You may take "regular" Delta classes on campus or online.** College Early Start **allows you to take courses for college credit only.** Each school determines whether high school credit will be granted for classes completed at Delta. Effective Fall 2020, **as a high school student, you pay no tuition or fees, but you are responsible for the cost of textbooks and class supplies.**

online or in person

Algebra 1: Requirement Met

Please review the classes that needs to complete for graduation. Credit deficiencies can be made up by enrolling in Tracy Adult Night School and/or Edgenuity Credit Recovery classes. Students need to contact their counselor to be placed in these classes. If your student is too credit deficient, I will contact you to set up a meeting to discuss Stein Continuation School for earning their high school diploma. Please note that a referral to Stein must be submitted by a WHS counselor and have parent/guardian approval.
