Visit our school website to capture a glimpse of our commitment to being an inclusive, diverse, and innovative school. We look forward to partnering with you to meet our mission: to cultivate lifelong learners and responsible global citizens who can rise to the challenges of the future while making a valuable impact in society. We provide a well-rounded bilingual education with an all-inclusive perspective that develops students of character who are committed to making the world a better place. Your child benefits from teachers who provide an enriched program that:

1. Ranks in the top 1% of Canadian Schools in the past years on the Canadian Test of Basic Skills (a standardized test examining basic skills in language, math, science, and social studies).
2. Consistently supports students to achieve at least two grades higher than the national average (i.e. an average student in Grade 3 performs at a Grade 5 level).
3. Provides opportunities for students to participate in mathematics contests, often with results ranking well above the national average.
4. It enables students to score perfectly in the YCT, HSK Mandarin tests, and DELF exams. DELF (Diplôme d'Etudes en Langue Française) is an official qualification awarded by the French Ministry of Education to certify candidates' competency in the French language outside France.
5. Gives students deep exposure to Mandarin, promising bilingualism in French and English.
6. Engages students in a wide variety of arts education (music, visual arts, theatre, debate and public speaking).
7. Prepares our students for future challenges globally, ready for everything!

Since 1989, The Giles School has set a standard that is exceedingly difficult for other schools to replicate. Our school is consistently acknowledged for providing a nurturing, innovative, and superior learning environment that prepares students for future success. The quality of a Giles education is highly esteemed by institutions receiving our graduates. Former parents and educators from other schools have shared these comments regarding the Giles School graduates' experience:

1. St. Clements School - "Your daughter is coming from the Giles; she must be brilliant!"
2. Crescent School - "Giles is a very good School".
3. University of Toronto Schools (UTS) - 5 students applied, and all were accepted.
4. St. Andrews school - "Giles School prepares its students very well. Your son will do very well."
5. "My daughter applied to BSS, TFS, UTS and Havergal College and got accepted at all of them."

Many of our graduates apply to Toronto French School and are accepted. "Student academic levels are very impressive at Giles—more advanced than the students in our comparative grade," says a Principal at TFS.
