Electives Fair	6:00-7:00 PM Main Hallway (Come and Go)
Parent Meeting	7:00 PM Auditorium

Future Wildcat Students and Parents,

The Cypress Woods High School Counseling Department welcomes you to an evening of learning regarding our courses and programs, our school culture, and the POWER of 212.

- Come and learn about electives and activities available at Cypress Woods High School. Teachers, students, and counselors will be available to answer questions.
- Come and learn more about general high school information, specifically about your 9th grade year.

The more information you have, the better prepared you will be to make good choices for your 9th grade course selections. You may access our district's website (www.cfid.net) for the Course Description Booklet (click "Academics" then "Curriculum and Course Descriptions" and then click the icon for the "2024-2025 HS Course Description Booklet") to find information regarding specific courses and graduation requirements. Please keep in mind that not all courses listed in the booklet are offered at Cypress Woods High School.

Questions after Keeping the Options Open? Middle School students and parents should contact their middle school counselor with questions or changes to 9th grade course requests. Middle school students do not roll over and become Cypress Woods students until mid-July.

We look forward to working with you and your student next year.
