Responsibility Family Newsletter

PurposeFULL People

Responsibility Overview

This month we are talking about Responsibility. One way to define Responsibility is "taking action and understanding the impact of our choices." Taking action can mean doing the right thing or completing the tasks you have been assigned. Understanding the impact of our choices means that our actions matter. Positive and responsible actions can help people and irresponsible actions can hurt others.

Responsibility is 1 of 3 traits we will focus on throughout the year that helps students **Be Strong**.

Across grade levels students will be developing skills like focusing, organizing, and goal-setting.

PurposeFull Pursuits

Have some fun connecting as a family this month while practicing Responsibility. Here are 2 "PurposeFull Pursuits" you can complete together!

#1

As a family, think of ways in which you might make someone's life a little easier by helping a neighbor or family friend with 1 of their Responsibilities. Could you bring the garbage to the chute or out to the curb? Could you carry things in from the grocery store? Could you invite someone over for a meal or a show?

#2

Review Responsibility as a family! Responsibility is taking action and understanding the impact of our choices. Choose 1 household chore (or more!) that requires multiple steps. Then have each member of the family select 1 step to complete to help get the job done! Maybe it's washing the dishes, doing laundry, cleaning the living room, or unloading the groceries - whatever it is, see who can be the quickest or most effective at their task!

Conversation Starters

- Can you share or show what it means to be Responsible?
- How can we help each other practice being more Responsible?
