## INTERNET SAFETY POLICY

### **Mission**

The Academy's mission is to help all students grow into college ready, exemplary citizens by combining academic mastery with personal empowerment to drive lifelong success. We serve our full community by intentionally developing a school culture that embraces diversity, equity, and inclusion.

### **Purpose**

It is the policy of The Academy of Charter Schools to: (a) prevent over its computer network user access to, or transmission of, inappropriate material via Internet, electronic mail, or other forms of direct electronic communications; (b) prevent unauthorized access and other unlawful online activity; (c) prevent unauthorized online disclosure, use, or dissemination of personal identification information of minors; and (d) comply with the Children's Internet Protection Act [Pub. L. No. 106-554 and 47 USC 254(h)].

### **Definitions**

Key terms are as defined in the Children's Internet Protection Act\*.

### **Access to Inappropriate Material**

To the extent practical, technology protection measures (or 'Internet filters') shall be used to block or filter Internet, or other forms of electronic communications, access to inappropriate information. Specifically, as required by the Children's Internet Protection Act, blocking shall be applied to visual depictions of material deemed obscene or child pornography, or to any material deemed harmful to minors. Subject to staff supervision, technology protection measures may be disabled for adults or, in the case of minors, minimized only for bona fide research or other lawful purposes.

### **Inappropriate Network Usage**

To the extent practical, steps shall be taken to promote the safety and security of users of the Academy of Charter Schools' online computer network when using electronic mail, chat rooms, instant messaging, and other forms of direct electronic communications.

Specifically, as required by the Children's Internet Protection Act, prevention of inappropriate network usage includes: (a) unauthorized access, including so-called 'hacking,' and other unlawful activities; and (b) unauthorized disclosure, use, and dissemination of personal identification information regarding minors.

### **Education, Supervision and Monitoring**

It shall be the responsibility of all members of the Academy of Charter Schools' staff to educate, supervise and monitor appropriate usage of the online computer network and access to the Internet in accordance with this policy, the Children's Internet Protection Act, the Neighborhood Children's Internet Protection Act, and the Protecting Children in the 21st Century Act. Procedures for the disabling or otherwise modifying any technology protection measures shall be the responsibility of the Academy IT department or designated representatives.

The Academy of Charter Schools' administrative teams or designated representatives will provide age-appropriate training for students who use the school's Internet facilities. The training provided will be designed to promote The Academy's commitment to:

- A. The standards and acceptable use of Internet services as set forth in the Academy Internet and Computer Agreement (signed and reviewed by families at start of each academic year);
- B. Student safety with regard to:
  - a. safety on the Internet
  - b. appropriate behavior while on online, on social networking Web sites, and in chat rooms; and
  - c. cyberbullying awareness and response
- C. Compliance with the E-rate requirements of the Children's Internet Protection Act ("CIPA").
