HOME OF THE COLTS

Principal: Valerie Nebo

Our unique faculty have advanced degrees, administrative credentials, language capabilities, and professional backgrounds that bring a variety of strengths and skills to our school community. Our work is to assure students thrive academically, socially and emotionally while addressing students' challenges and celebrate their strengths. Through regular collaboration and review of data, we make decisions to support the whole child. We welcome all students, work closely with families and with each other, and we look forward to celebrating all your child's accomplishments at our school.

COLT COMMUNITY
