Security on Campus

Every exterior door at Langham Creek High School is equipped with a door propping alarm system that will annunciate (sound) at all alarm panels on campus and the door will show as “open/propped” on the Exacqvision Client Camera system.

When a door prop alarm is activated, all Administrators on the campus of LCHS, as well as the CFPD Officers on campus are alerted of an open/propped door. The AP team will investigate along with CFPD, and identify the source of the propped door.
