October Newsletter

What a start!

The year has been filled with excitement, joy, and creativity around the Fine and Applied Arts! Some department-wide highlights include high school Honors Chorale, Marching Band, and Pep Band performances at home football games! Clips of performance can be found on our Instagram: @SeafordARTS .

Our middle school tech classes learned how to build their own rockets and even launched them on our back field. High school tech classes have been learning about basic car care, building Adirondack chairs and more.
