Thank you to our Parents and Carers who attended their Parent Consultation this week. These meetings are a crucial part of understanding what is going well and how we can work together to lead your child to success. If you were unable to attend but would like to speak to your child's class teacher, please do arrange a time to talk either at drop off or pick up.

We will be supporting Children in Need on 15th November, with a bake sale after school!

Please donate if you can.

Children are invited to wear a spotty accessory such as a hairband, socks or Pudsey ears. Full uniform rules will apply.

We are so grateful to have teamed up with **Tesco** to provide every single child in the school with a portion of fruit or veg every single day. This is an opportunity for children to try a whole variety, such as Rhubarb, Greengages, Kohlrabi and Mooli's!

Parents of Year 3 and 4 children are invited to attend a times tables meeting with Mrs Jarvis on 8th November. Please use the booking link on your

100%

To continue our mission with maximising attendance and celebrating success, we have introduced termly 100% attendance certificates.

Pupils can only take full advantage of education if they are at school on time and regularly. Evidence shows that many children with poor attendance tend to have lower attainment in both primary and secondary school. Please work with us to support your child. Our Attendance Officer is always on hand to work with you to solve barriers to attendance.

Well done to this lovely team, who worked tirelessly yesterday in the Girls Football Finals at Horntye! We finished 5th out of 12 schools, which places us 5th out of 48 schools in Hastings and Rother.

Thank you to Mr Ray and Miss Parsons for all your support too!

If you have any Safeguarding concerns or wish to report or discuss any issues, please email safeguarding@thebairdprimaryacademy.org.uk

Barney, (Our drumming teacher) has advised that Create Music won't be carrying on his role at school after the holidays because there aren't enough children learning instruments. He is an amazing teacher and it would be a real loss to not have him connected to The Baird.

He teaches Piano Keyboard, Drum Kit, Ukulele and Guitar. Create also fund lessons for some children, so do get in touch if you would like your child to learn an instrument.
