Dear Parent or Guardian,

According to Ohio State Law, all preschool children are required to have a yearly physical form turned in to the school clinic within **30 days** of their admission to the program. This may be completed with information from a physical examination done within the last 365 days (1 year). If a physical expires during the school year, another updated form is required.

We are also required to have a copy of every student's current and age appropriate immunization record attached to the physical form if not already turned in. If your child has had a physical in the last 365 days, you can have the physician fill out the form from that physical.

Attached is the First Step Preschool physical form that should be taken to your child's physician. It is also recommended that children with special needs be evaluated by an eye specialist.

The State of Ohio also requires a dental form from every preschooler. Attached is a copy of the dental form that can be **waived** by having a parent or guardian's signature at the bottom. If your child has seen a dentist, please have them fill out this form.

When completed, please send the physical and dental forms to First Step Preschool.
