

CHALLENGE

The SRDS **Gateway Honors Diploma** option allows students to design an advanced study program to pursue their academic passions. On-site learning combines with academic tracks in **global citizenship, humanities, medicine, music, STEAM and more.** Working with faculty and career-field mentors, students develop scholarly papers as part of a strong portfolio of accomplishments.

ENHANCE YOUR CREATIVITY THROUGH THEATER, MUSIC AND VISUAL ARTS, INCLUDING A NATIONALLY RECOGNIZED GRAPHIC ARTS PROGRAM.

GROWING AND EXCELLING ON ANY PATH YOU WISH

SRDS students embrace change, find their interests and build leadership skills from within. They learn how to think, not what to think—and they lead now so they'll be ready for whatever comes next.

ENTREPRENEURSHIP

Our four-year Entrepreneurship curriculum provides the foundation and skills to turn a business idea into reality. Covering **idea generation, finance, marketing and operations,** the courses instill professional skills that will prove vital in preparing students for lifelong learning in the real world.

INNOVATION

Online technology courses through **srdsonline**, our new **Center for Technology and Computer Science**, empower students to excel in the dynamic fields of data analytics and artificial intelligence. Live and asynchronous courses are open to students at SRDS and other schools.

CURRENT ONLINE OFFERINGS

Artificial Intelligence

Python

Data Science

Quantitative Finance

Natural Language Processing

Statistics for Data Science

BALANCE

SRDS has **28 athletic teams.** Our student-athletes go on to top Division I programs at Duke, Stanford, UPenn and more.

BASEBALL | BASKETBALL | BOWLING | CROSS COUNTRY | CREW | EQUESTRIAN | GOLF | LACROSSE | SOCCER | TENNIS | TRACK | VOLLEYBALL

Choose from **40+ student clubs** or start your own. A few options:

DEBATE | ESPORTS | INNOVATION TEAM | LITERARY AND ART JOURNAL | MODEL UN | ROBOTICS | STOCK MARKET | STUDENT COUNCIL | TED TALKS

COLLEGE MATRICULATION

Seniors are admitted to their first-choice universities and enroll at institutions such as:

NEW YORK UNIVERSITY

GEORGETOWN UNIVERSITY

Stanford

PERSONALIZED COLLEGE COUNSELING

Beginning in ninth grade, our program emphasizes college readiness, goal setting and planning. We work closely with each student to develop a personalized, four-year academic plan and to identify their skills and interests and the universities that align with their goals.

Our experienced and forward-thinking college counseling team advises each student on how to best optimize their application strategies by showcasing academic accomplishments, interests and talents.

Advanced research tools for college and career search

Small-group weekly workshops and family one-on-one meetings

Essay writing and interview workshops

Partnership with SAT and ACT test prep companies
